"Remember to look up at the stars and not down at your feet. Try to make sense of what you see and wonder about what makes the universe exist. Be curious. And however difficult life may seem, there is always something you can do and succeed at. It matters that you don't just give up."

Headteacher's news

It has been another busy week at St Paul's. It was lovely to see the reception children enjoying their trip to Smithills Farm on Wednesday. The children had a fantastic time and enjoyed all the activities which included donkey rides, tractor rides, feeding the animals and watching the cows at milking time.
The Enchanted Elms made Mrs Deboutemard very proud this week performing so well in their class assembly. They demonstrated what they had learnt about forces in science, told us about the Stone Age trip and sang and danced to their favourite song – Cheerleader. Well done everyone. A big thank you to everyone who came along to support them.
In anticipation of the possible snowfall expected over the weekend we will keep you updated via text, the school website and also Radio Lancashire should school be closed.

Head Lice

Unfortunately, we have had several cases of head lice in school this week. Please could we ask that you check your children's hair on a regular basis and treat them as necessary. It would also help if children with long hair could wear it tied up. Thank you.
