CLASS NEWS

Planetarium

The children had a fantastic experience on Tuesday going into the planetarium and getting a 3d experience of space and learning about stars and their constellations.

The children have learned which zodiac sign they are and what their sign looks like as a constellation. Also they made their own 3d model of their constellation.

Mad Science

The second session will be on Tuesday 31st January 2017, the club will last for 1 hour. Clubs starts at 3:10pm. Children will be collected from reception at 4:10pm.

P.E Kits

Children need jumpers, pants and trainers for outdoor P.E the weather is still cold. P.E is every Tuesday afternoon.

ROLL OF HONOUR

ROLL OF HONOUR

This week's Star of the Week is:

Farhan Khan

For….. working well with his peers and finding space to receive the ball during P.E.

This week's BLP Learner is:

Sam O'Brien

For….. Being absorbed in his learning about his zodiac sign and the constellation for his sign.
