Headteacher's news

On **Friday 14th July 2017**, we will be holding a Race for Life event for Cancer Research UK. By taking part in Race for Life and uniting together against cancer, our pupils will be doing something really special. The race - 20 laps of the playground/ring road will take place in the school grounds which will be secured by staff. The Sports Ambassadors have chosen a theme of 'Rainbow.' We hope that as many of our children will take part in this fantastic event in an array of colourful rainbow clothes. Next week, your child will bring home a sponsor form for this event so we can raise as many vital funds as possible.

PTA news

The Celebration disco will be held on Thursday 20th July, the theme this year as previous years has been chosen by the year 6 class. It is 'Under the Sea'
These discos are always lovely events and aren't possible without your help. If you can help before by wrapping lucky dips or on the night please leave your details at the office or contact us via our Facebook page.
Also Ice cream Fridays will continue until the end of term. Please come along and support us by buying or if you have a spare 30mins you could help us sell them.

Sporting News

We are always looking for more helpers so if you want to help at any of our fundraising events or are interested in being part of the PTA, then visit our St Paul's PTA page on Facebook or
Year 4 football: A big well done to our year 4 A & B teams with players from years 1, 2, 3 and 4, who took part in the Rossendale schools, year 4 football competition over at Fearn's on Monday. St Pauls B defied their young ages to produce a fantastic set of results that saw them finish in 4th place. Tommy Walsh (Year 1) was named man-of-the-tournament for the B team, but in fairness it could have been any of our players who were outstanding!
St Pauls A team did even better, finishing unbeaten, winning the group and qualifying for the Grand Finals (taking place today).
Year 5/6 Handball: A fantastic response from our year 4, 5 & 6 players in the handball round robin competition, over at Haslingden primary school on Wednesday. Haslingden's coach was very impressed with the players and their adaptability in playing a new sport.
Year 6 cricket: After winning their Rossendale schools year 6 cricket heat last week, our team played over at Fearn's in the grand finals.

Due to the bad weather, the finals were played indoors, so conditions were not ideal. St Pauls were exceptional in the semi-finals, beating Balladen for a place in the grand final. After a thrilling match with St James, the scores were tied, with the winners being decided by a countback of wickets taken during the match. Heart breaking for our team as they missed out on retaining their title from last year, by just one wicket! Silver medals this time, a great effort gang. Our man-of-the-tournament was captain James Schofield, with some excellent bowling.

Building Learning Power Award

This year we have decided to include a BLP Superhero of the week from each class for someone who has demonstrated a particular BLP learning capacity. Our focus for this year is 'Reciprocity.' Please ask your children about how they have worked with others and to support others this week and look out for our masked and caped BLP Superheroes around school!
