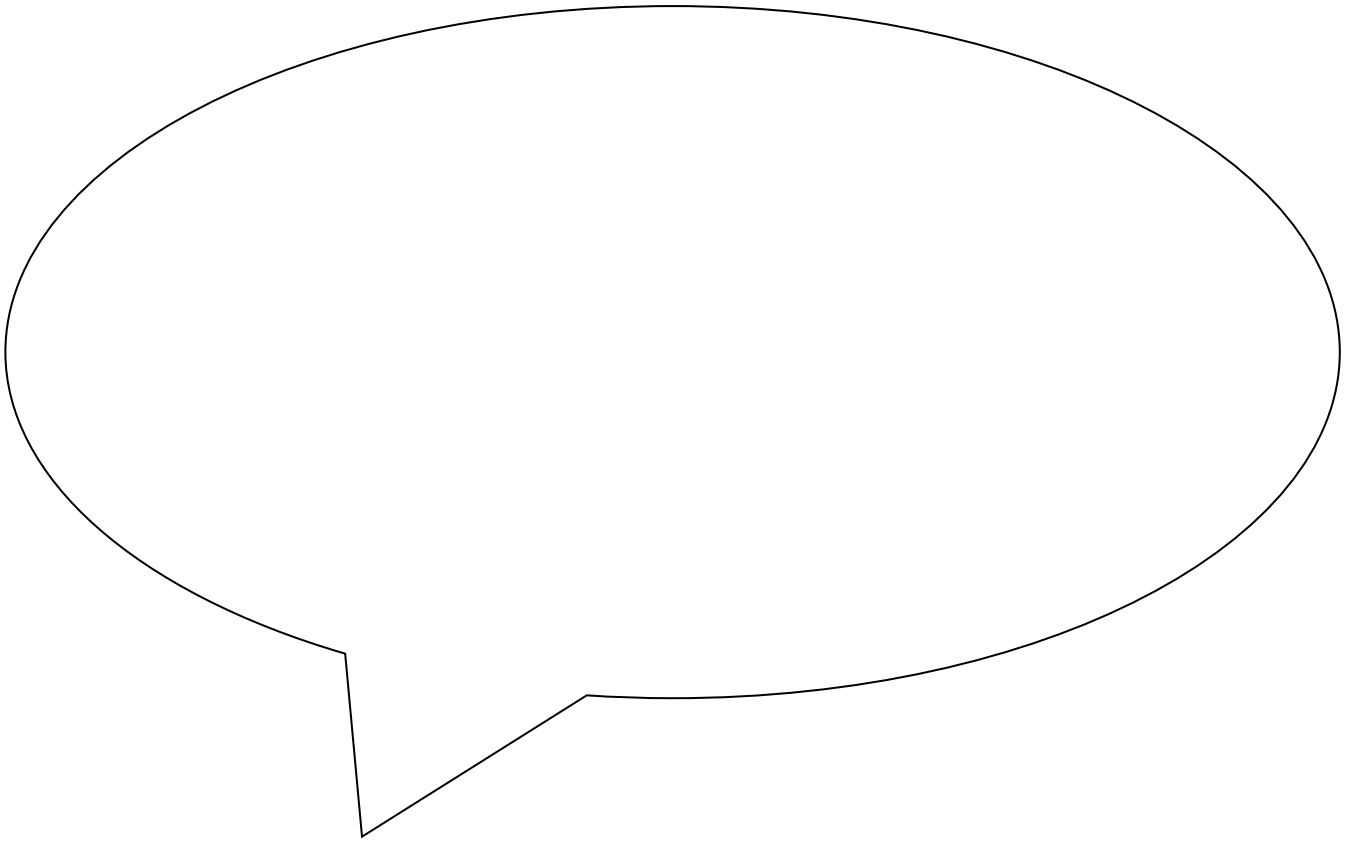
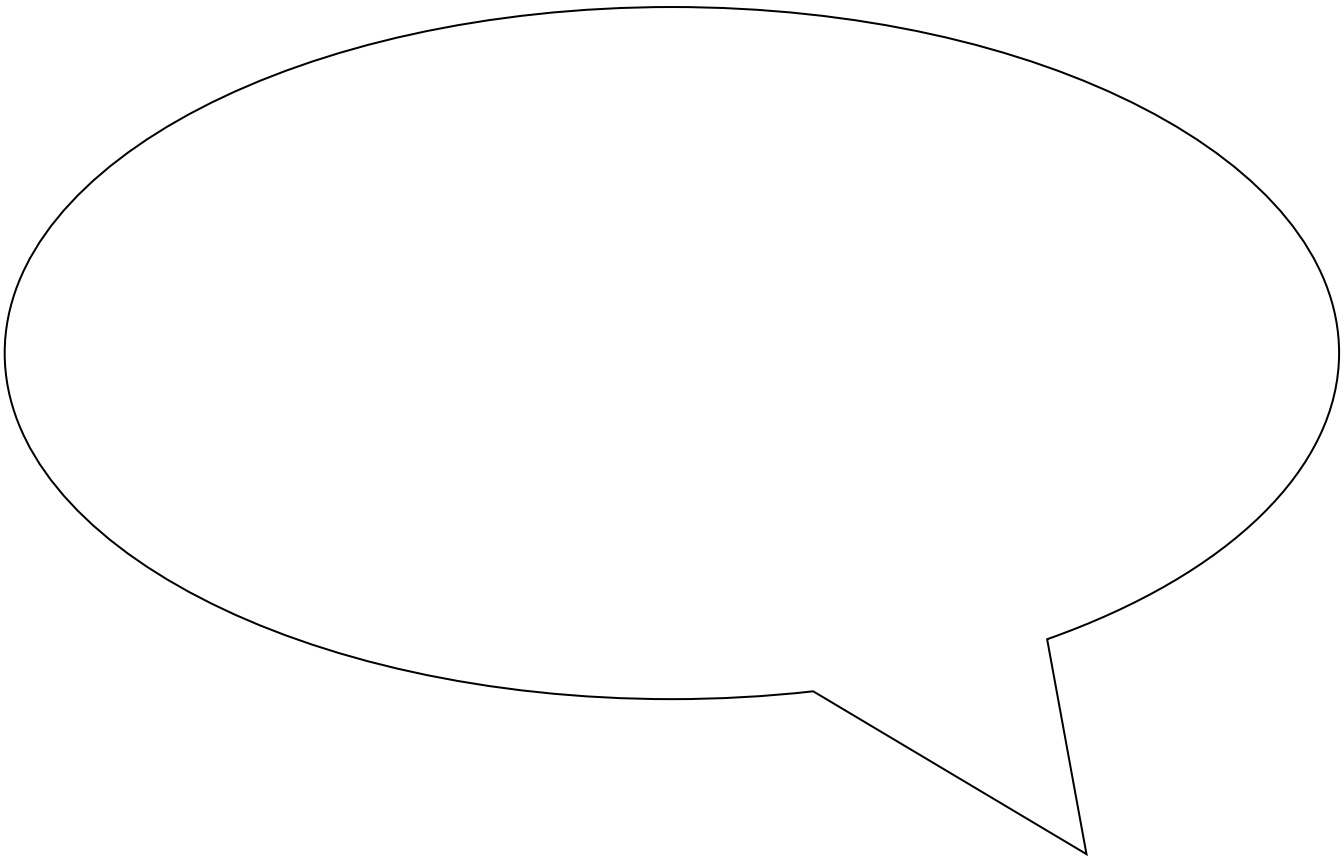
How to make a robot

I think that because

I think that because

Write down a timeline(four sentences) of what you think is happening for these four paused parts. These could be written on a story string or a line which represents the thread of the story.





Write the story in small chunks! Don't forget the capital letters and full stops. Ca

Parents, please use this above as your example!

A boy loved playing with his robot toy.
A year later the robot still wanted to play but the boy was getting annoyed with it.
The boy's friend came to play and the robot spoiled the game. The boy threw the robot in the cupboard.
His friend (the little girl) was cross with the boy and stormed home.
The boy had a bad dream. In his dream, the

Robot tried to save him.

The boy woke up and started playing with his robot again.

They were reunited.
