### CLASS NEWS

We have had an exciting week learning about life in Africa. We had a look at some real African artefacts and had a go at making our own African necklaces.

We have also listened to traditional African music and played with real African instruments.

If your child has visited another country, we would love it if they could bring in a photograph (showing cultural food or a famous building would be great) to support our learning in Geography/Understanding the World next week.

Thank you for attending our Writing Workshop after school yesterday. It was lovely to see you there!

If you have any old pots, pans and spoons we would be grateful if you would donate them for our mud kitchen!

As we change our shoes to go outdoors in wet weather, we kindly ask that shoes are labelled so they don't get mixed up.

Please ensure PE kits are in school.
