CLASS NEWS

We have continued to read and write using our text 'Burglar Bill' which the children are enjoying! We hope to have a police officer come and speak to us. In maths we have been learning about shapes- ask your child to go on a shape hunt. Can they count the sides on flat shapes and say if they think they are curved or straight?

In our Science/Understanding the World sessions, we have begun to describe (and name) materials. We began to test waterproof materials which was really interesting!

If you still need to show the office staff your child's birth certificate, please do this as soon as possible.

Our newsletter is available on the class page of our website, if you wish to have a paper copy, please let a member of staff know.

ROLL OF HONOUR

This week's Learner of the Week is:
Lennon Snell

St Paul's BLP Hero is: Arthur Grenfell
