CLASS NEWS

Dear Parents / Carers,

What a fantastic week we have had in Dragons this week. Thank You to all the parents who came along to support us in our Harvest Festival yesterday. This week we have been learning all about Conductors and Insulators in Science and continuing to work on our Athletic skills with Rossendale Sports.

We have lots of exciting things happening next week to look forward to!

Fastelavn / Hygge Morning

On Thursday we will be rounding off the Geography aspect of our Denmark topic with a celebration of Fastelavn and Hygge. Fastelavn is the Danish festival of Lent and we shall be eating delicious Fastelavn boller buns, playing traditional games and singing songs. Please let me know if your child has any food allergies to milk, egg or wheat.

Hygge is a lovely Danish tradition which translates as 'being cosy.' It is widely regarded as the reason why Danish people are frequently voted the happiest in Europe despite their long, dark winter days. During Hygge time, Danish people wear their comfy clothes, light candles and generally enjoy just being together. Therefore on Thursday I invite the children to **bring to school in a named bag** their comfy clothes, (joggers, onesies etc) a pillow or cushion and or a blanket for our Hygge experience.

Any questions please ask - Mrs Cooper

ROLL OF HONOUR

BLP Hero of the Week

Sophie Rae Edwards

Sophie embodies every aspect of a BLP learner. She is a credit to our class.

Well Done!

Learner of the Week

Phoebe Williams

For a fantastic contribution to our Harvest Festival. She learnt all her lines and presented her poem beautifully. Well Done!
