CLASS NEWS

We have had a fab week and have started our topic about the Vikings. We investigated how to write our name in runes stitched then stitched it on to a piece of cloth.

In line with Anti-bullying Week, we have also been exploring why people bully and in some cases we actually felt a little bit sorry for the bullies themselves. We also designed a comic strip to show others how to deal with bullying.

Next week, please can you send your child to school with an orange for our Christingle service.
