### CLASS NEWS

#### The X Files

Our rockets are nearly complete! We used the technique of papier mache to cover our rocket structures and will add the finishing touches after the holidays.

#### Forest School

As detailed in yesterday's forest school letter, we are able to offer forest school sessions to all classes at least once every two weeks. Therefore it is vital that your child has their forest school kit in school at all times. This includes a pair of wellies/sturdy boots, a pair of jogging bottoms, leggings or tracksuit trousers (no jeans please) and a t- shirt with long sleeves or a jumper.

#### Home/School Agreement

Your child should have brought home last term's reviewed targets and this term's newly set targets. As well as this, I have included a home/school agreement form. Your child has already read and signed their section of the form. Please could you read and sign the parent section and return this after the holidays? Thank you very much.

#### Swimming

Just a quick reminder that year 4s start their swimming sessions on Wednesday the 22<sup>nd</sup>.

#### Our Next Topic

Our next topic is based around the history of The Romans. As always, if you have any resources to support our learning, they would be greatly appreciated.

#### Drumming Workshop

Yesterday all the children took part in a drumming workshop which was delivered by a specialist teacher. It was a very noisy afternoon but the children loved it!
