CLASS NEWS

Happy New Year

Happy New year to you all! I hope you have all had a lovely, restful Christmas and enjoyed the break with your families. The children certainly sound like they had a lovely time. Thank you for all your cards and gifts- they were much appreciated!

Reading Books

I have been so impressed with the amount of reading most of the children have completed over the holidays. As you can see in our roll of honour section, we have presented lots of reading certificates this week. Thank you for your support in promoting a love of reading with your children and ultimately, helping improve their reading skills.

BLP Themed Week

This week we have been introduced to a new BLP muscle- empathy and listening. We have completed lots of listening games and activities to help improve our listening skills. We discussed what we thought empathy was and looked at different real life situations. To help us understand empathy further, we watched the film 'Beauty and The Beast' and discussed in detail how Belle showed empathy to the Beast. Using this knowledge and understanding, the children discussed how they can show empathy in their life.

Our New Topic

Next week we will start our new topic which is all about rockets. For this, we will be researching how rockets are made and looking at the design process. The children will then design and create their very own rockets! For this, any donations of junk modelling equipment will be greatly appreciated. (Kitchen roll holders, bottles -both large and small, tin foil, cardboard boxes etc). No egg boxes please. Thank you in advance.
