### CLASS NEWS

#### Parents' Evening

Just to let you all know, parents' evening will take place on Tuesday 31<sup>st</sup> and Thursday 2<sup>nd</sup> February. Appointment letters will be sent out shortly.

#### Reading Books

I have been so impressed with the amount of reading most of the children have completed over the holidays. As you can see in our roll of honour section, we have presented lots of reading certificates this week. Thank you for your support in promoting a love of reading with your children and ultimately, helping improve their reading skills.

#### The X Files

The children are already so absorbed in their rocket learning. We have been researching the rocket 'Saturn V' and the children have created fact files. We have also created a 'Space Wonderwall' where the children have compiled a range of interesting (and some very creative!) questions about rockets and space. We will try our very best to answer these over the next half term. Please encourage your child to carry out research at home to support their learning in school. This is rewarded by 3 Dojos for any extra learning at home.

As mentioned last week, any resources to help us create our rockets will be greatly appreciated. Thank you to the donations so far. Items such as tin foil, kitchen roll inners, empty plastic bottles (with lids please) and cardboard would be ideal. (No egg boxes please)

Friday 20<sup>th</sup> January 2017

### ROLL OF HONOUR

**Our Learner of the Week is: Guy** for always giving 100% in maths and demonstrating a fantastic understanding of using mental methods

**Our BLP Hero is: Jude** for being absorbed during our dance PE sessions

**Well done to the children who have moved to Gold this week!**

Well done to the following children who have received their reading challenge certificates this week.

#### **Reading Awards:**
