CLASS NEWS

Science

Next week we will be conducting an exciting experiment and it would be very useful if your child could bring a torch to school on **Monday** to help with our experiment. Thank you in advance.

School Photos

As you are aware our school trip and class photos are on the same day. If you would like any individual or siblings photos taken that day please be at school for **8:30** so they can be taken before we leave.

School Trip

We are **very** excited because it is less than 2 weeks until our school trip. Please ensure **all** the relevant slips have been completed and money has been paid asap.

Valuables

Unfortunately, as you are all aware there have been a number of items going missing in school. Due to this we advise you to keep any valuable items at home. Your child will be equipped with all the stationary they require to learn.
