

ST. PAUL'S
CHURCH OF ENGLAND
PRIMARY SCHOOL

ENGAGE - INSPIRE - ACHIEVE

**The Christian family of St Paul's... moving forward together.
A caring, exciting and happy school where everyone
succeeds!**

English Policy
January 2017

Aims

We aim to develop pupils' abilities within an integrated programme of Speaking & Listening, Reading & Writing. Pupils will be given opportunities to interrelate the requirements of English within a broad and balanced approach to the teaching of English across the curriculum, with opportunities to consolidate and reinforce taught English skills.

At St Paul's Church of England school, we strive for children to be a 'Primary Literate Pupil'

By the age of eleven we aim for a child to be able to:

- read and write with confidence, fluency and understanding, orchestrating a range of independent strategies to self-monitor and correct.
- have an interest in books and read for enjoyment
- have an interest in words, their meanings; developing a growing vocabulary in spoken and written forms.
- understand a range of text types and genres - be able to write in a variety of styles and forms appropriate to the situation.
- be developing the powers of imagination, inventiveness and critical awareness.
- have a suitable technical vocabulary to articulate their responses.

Statutory requirements

Statutory requirements for the teaching and learning of English are laid out in the National Curriculum English Document (2013) and in the Communication, Language and English section of the Curriculum Guidance for the Foundation Stage (2013).

In the Foundation Stage children should be given opportunities to:

- speak and listen and represent ideas in their activities;
- use communication, language and English in every part of the curriculum;
- become immersed in an environment rich in print and possibilities for communication.

In Key Stage 1 - children should learn to speak confidently and listen to what others have to say. They should begin to read and write independently and with enthusiasm. They should use language to explore their own experiences and imaginary worlds.

In Key Stage 2 - children should learn to change the way they speak and write to suit different situations, purposes and audiences. They should read a range of texts and respond to different layers of meaning in them. They should explore the use of language in literary and non-literary texts and learn how the structure of language works.

The governing body

Regular reports are made to the governors on the progress of English provision and to our English Governor.

This policy will be reviewed every three years or in the light of changes to legal requirements.

Subject organisation

The English Curriculum is delivered using the Lancashire Learning Key Skills document in reading, writing and speaking and listening (which is written by Lancashire County Council consultants using the statutory requirements from the National Curriculum 2013). The Early Learning Goals are followed to ensure continuity and progression from the Foundation Stage through to the National Curriculum. Pupil provision is related to attainment, not age.

English is taught in Pods, where the children are grouped in abilities from September in KS2 and from October in KS1 following assessments. This allows targeted provision for pupils with Special Needs who are taught in small intervention groups and personalised learning for all.

Lessons are planned using a bespoke writing scheme which ensures all pods are covering the same units at the same time. This allows class teachers greater scope for cross curricular writing in other subjects during afternoon sessions as all children will be familiar with the features of that particular genre. The long term plan ensures an even coverage of fiction, non-fiction and poetry units.

Approaches to speaking and listening

The Four Strands of Speaking and Listening: Speaking; Listening; Group Discussion and Interaction, and Drama permeate the whole curriculum. Interactive teaching strategies are used to engage all pupils in order to raise reading and writing standards. Children are encouraged to develop effective communication skills in readiness for later life.

Skills covered are taken from the Lancashire Key Learning Skills in Speaking and Listening document and are fed into daily teaching. Weekly English Speaking Board lessons (ESB) are planned and delivered and children are assessed on these skills by an external examiner if parents would like their child to take part in the optional exam.

Approaches to reading

- Shared reading
- Guided reading
- Independent reading
- Phonics is taught daily throughout KS1 and into KS2.
- Book Bands
- Free readers when children become confident and capable readers
- Weekly class library sessions
- Reading comprehensions
- Reading journal
- Whole school reading challenge with rewards for number of books read
- Reading homework, home-school liaison through reading diaries and journals.
- Individual Reading

Approaches to writing

- Using the Lancashire Key Learning document in writing focussing on skills in vocabulary, composition, grammar, punctuation, spelling and handwriting.
- Providing a wide range of contexts for writing throughout the curriculum with a strong emphasis on cross curricular writing.
- Teaching focussed key writing and spelling strategies across KS1 and KS2 (10 minute daily skills sessions in all learning groups every day).
- Every other week teachers plan for an extended writing day (covering a range of fiction and non-fiction)
- KLIPS and LAPS documents designed by Lancashire to track, level and assess pupil progress and inform future planning in terms of gaps.
- Encouraging and promoting a process of planning, drafting and redrafting, edit and improve.
- Use of ICT to present work in a variety of forms.
- Opportunities for shared, guided, modelled and collaborative writing.
- Visual and Kinaesthetic stimuli to prompt writing.
- Allowing 'Fix it' time for children to respond to marking feedback and make improvements.
- Use of Role Play across both key stages.
- Use of ICT resources such as Interactive Whiteboards/ Video clips.
- Use of Drama and strong emphasis on Speaking and Listening activities.
- High expectations for handwriting throughout school (using a cursive approach)

Cross-curricular English opportunities

Teachers throughout the school strive to make cross-curricular links in all subjects using the Key Learning Document to ensure skills are being covered. They will plan for

St. Paul's C of E Primary English Policy January 2017

pupils to practise and apply the skills, knowledge and understanding acquired through English lessons to other areas of the curriculum. Teachers map out cross-curricular writing opportunities at the beginning of every term to ensure a wide coverage.

The use of ICT

Opportunities to use ICT to support teaching and learning in English will be planned for and used as appropriate. This is the responsibility of the Pod and Class teachers.

The use of iPad, laptops and kindles should be planned into lessons where appropriate.

Assessment

Work will be assessed in line with the Assessment Policy using the KLIPS documents for reading and writing. These will be highlighted at the end of each term and age related statements will be added to the school's assessment tracker.

Children should not be provided with a 'steps to success' during extended write sessions to ensure a true reflection of children's independent writing abilities. Marking should be carried out in line with the marking policy.

Inclusion

We aim to provide for all children so that they achieve as highly as they can in English according to their individual abilities. We will identify which pupils or groups of pupils are under-achieving and take steps to improve their attainment. Gifted children will be identified and suitable learning challenges provided. This intervention is the responsibility of the relevant POD teacher.

Equal opportunities

All children are provided with equal access to the English curriculum. We provide suitable learning opportunities regardless of gender, ethnicity or home background.

Role of the leadership team:

The Leadership team should be responsible for improving the standards of teaching and learning in English through:

Monitoring and evaluating English: -

- pupil progress
- provision of English (including Intervention and Support programmes)
- the quality of the Learning Environment;

St. Paul's C of E Primary English Policy January 2017

- the deployment and provision of support staff
- Taking the lead in policy development
- Auditing and supporting colleagues in their CPD
- Purchasing and organising resources
- Keeping up to date with recent English developments

Conclusion:

This policy also needs to be in line with other school policies and therefore should be read in conjunction with the following school policies:

- Teaching and Learning Policy
- Assessment and Record Keeping
- Responding to pupils' work / Feedback / Marking policy
- Special Educational Needs Policy
- ICT Policy
- Equal Opportunities Policy
- Health and Safety Policy
- Phonics Policy
- Handwriting Policy

POLICY REVIEW

The English Policy will be reviewed every three years or in light of statutory changes

This policy will be ratified by the Governing Body in January 2017

Signed by Mr W Aitkin (Chair of Governors) *W. Aitkin* Date 31.1.17

This policy will be reviewed on or before the following date: January 2020
