Headteacher's news

What a lovely way to end the week with our celebration worship this morning. It was great to see so many family members coming to celebrate with us.

As many of you are aware, Ofsted visited our school to conduct a full inspection in the last week of the Summer Term. We are pleased to say that the inspectors recognised the changes and progress that has been made. This could not have been achieved without the support and commitment from the pupils, parents, Staff and Governors. The staff here at St. Paul's work tirelessly to ensure that every child reaches their potential. Today our official Ofsted report has been published. We are pleased to announce we have been judged as a 'Good' school. You will find the report on our school website for your perusal. I would like to say on behalf of the staff and Governors a huge thank you to the parents and family members who provided feedback to the online questionnaire and the inspector himself.

Data Collection Sheet

Your child should have brought home a Data Collection Sheet this evening. Please could you check over the information we hold on our database and amend anything that is incorrect. Please return it to the school office at your earliest convenience before Wednesday 20th September. It is crucial we hold up to date contact information in case of any emergencies in school. Thank you.
