Local Offer: Primary Settings

Mainstream, Short Stay Schools, Special Schools and Academies

Name of School: **St Paul's Church of England Primary School**

School Number: **8883022**

Guidance for Completion

This template is designed to help you to pull together information so that parents of children with Special Educational Needs or Disabilities (SEND) know what support they can expect if their child attends your school/academy.

The SEND Reforms will place a statutory requirement on schools from September 2014 to make information available to parents about how the school supports children and young people with SEN. This information will form the main basis for the school's Local Offer, which has to be published on the school's website. Your website must include the name and contact details of your SENCO and a link to the Local Authority's Local Offer when it becomes available.

The questions in the template are intended as prompts and reflect key issues that parents have told us they would like to know about when deciding which school could best meet their child's needs. You may also wish to consult with your own pupils' parents about what to include in your Local Offer.

In developing your school Local Offer, you should be mindful that there is a requirement for a feedback facility to be available as part of the Local Offer and for responses to be given to feedback received.

Please provide a copy of your completed template along with the following completed information by email to IDSS.SENReforms@lancashire.gov.uk

Accessibility and Inclusion

How accessible is the school environment?

Is the building fully wheelchair accessible? Do you have accessible parking spaces? Have there been improvements in the auditory and visual environment? Are there accessible changing/toilet facilities? How do you improve access to the setting?

How accessible is your information? - including displays, policies and procedures etc.

Do you have information available in different font sizes, audio information, Braille, other languages etc. How does the setting communicate with parents and families whose first language is not English? How information is made accessible to parents and families with additional needs?

How accessible is the provision?

How do you make use of resources such as symbols, pictures and sign graphics to support children's access to resources? Do you have furniture such as height adjustable tables or alternative ways of presenting activities so that children can access them?

Do you have specialised equipment (e.g.; ancillary aids or assistive technology?)

What the school provides:

The school was built in 1984 and is wheelchair accessible.

To provide access for pupils and parents with disabilities the school has ensured that all main entrances and internal doorways within the school are on a single level and wide enough to accommodate a wheelchair if necessary.

There are accessible parking spaces available for the public and disabled persons. These parking bays are located within easy access of both Infant Playground and the Junior Playground.

Our school also has changing facilities and an accessible toilet that is available for wheelchair users. Some classrooms have been adjusted to support children with difficulties to enable access to the teaching and learning environment. Specialty equipment is also utilised to support access to learning.

Policies and information is available on the school website. Whole class noticeboards are regularly maintained in addition to regular newsletters. There are regular letters home. At parental request, we offer Home/ School Communication books for use across all Key Stages which contributes to a partnership approach between home and school when sharing information to support our children.

Pictures of school staff and their designation are displayed in the school entrance.

Furniture is modern and of a suitable height appropriate to the age group of children being taught in that classroom.

The school has a range of ICT programmes for pupils with SEN in addition to IPADs, headphones, computers and interactive whiteboards.

As required, our school has access to translation of letters that will allow parents (Bengali and Urdu) speakers to have letters/documentation translated if required.

Our school works in partnership with St Mary's C of E Primary School, Rawtenstall in offering bilingual support during meetings to address the needs for children and their parents of Bengali heritage.

Teaching and Learning

What arrangements do you have to identify and assess children with SEN?

What additional support can be provided in the classroom?

What provision do you offer to facilitate access to the curriculum and to develop independent learning? (This may include support from external agencies and equipment/facilities)

What SEN and disability and awareness training is available to all staff?

What staff specialisms/expertise in SEN and disability do you have?

What ongoing support and development is in place for staff supporting children and young people with SEN?

What arrangements are made for reasonable adjustments and support to the child during tests and SATs?

How well does your SEN provision map illustrate the range and level of support for individual pupils or groups with similar needs and the resources allocated to meet those needs?

What the school provides

Early identification of need is vital and outside agencies can help advise on the provision of intervention strategies. The class teacher will inform the parents at the earliest opportunity to alert them to concerns and enlist their active help and participation.

The class teacher, the SENCo and Inclusion Manager assess and monitor the children's progress in line with existing school practices.

The SENCo and Inclusion Manager works closely with parents and teachers to plan an appropriate programme of intervention and support.

The assessment of children reflects, as far as possible, their participation in the whole curriculum of the school.

The class teacher, the SENCo and Inclusion Manager work collectively to break down the assessment into smaller achievable steps, in order to aid progress and provide detailed

accurate indicators that inform future effective approaches to meet identified needs.

Children can be assessed and supported by a range of outside agencies such as IDSS, Hendon Brook and Educational Psychology, Child and Adolescent Mental Health Services (CAMHS), Speech and Language Therapy (SaLT).

Each class has the benefit of at least one Teaching Assistant for part of each day. TA support in the Junior Unit is allocated based upon needs of the Pods/individual pupil.

In the case of children with a physical difficulty, Hearing Impairment, Visual Impairment or medical needs specialist support, guidance, equipment and training is provided by IDSS, NHS.

Identified staff, with responsibility for working with and supporting children with specific needs have access to relevant training. Currently 2 members within our team have received training in Moving and Handling. In addition, 2 TA has completed Makaton training, 1 has completed courses on Anxiety Disorders in Children and Solution Focused Therapy. 1 member of staff has completed a range of courses that are focused on language and communication developing for SEND children.

School has all trained staff in First Aid including 2 designated Paediatric First Aiders.

As whole staff team, staff had received training on IEP writing, Dyslexia and behaviour management, the CAF and the SEND Code of Practice.

Furthermore, we have a staff member who has completed a course of study in Child and Adolescent Mental Health.

When sitting formal examinations children with SEND can be supported 1 to 1 (EHCP/Statement), have timed breaks, be granted additional time, sit exams in a quiet setting in a small group to aid concentration.

The SEND Provision Map records the type of intervention a pupil is receiving.

Our school Tracker, tracks progress and provides data monitoring for pupils receiving the Pupil Premium as well as pupils with SEND. The progress of all our SEND children is monitored and tracked. Intervention is put in place for those children that are at risk of falling behind in terms of intervention programmes which are delivered by qualified teaching staff or teachers. A record of all the children that are eligible for pupil premium funding is kept which outlines where the money is spent in terms of support given and the impact that this has had on attainment/progress or emotional and social needs if that is the case.

School has a designated Family Support Worker, an Inclusion Manager and a SENDCo.

Reviewing and Evaluating Outcomes

What arrangements are in place for review meetings for children with Statements or Education, Health and Care (EHC) Plans?

What arrangements are in place for children with other SEN support needs?

How do you assess and evaluate the effectiveness of the provision you make for children and young people with SEN and Disability?

What the school provides

Statutory requirements relate to the Education and Health Care Plans/Statements and Review processes are followed. Parents contribute and take part in Annual Reviews and receive copies of all relevant paperwork concerning their child. Pupils are also asked to make a contribution to the review and we welcome the contribution made by SEND Information and Advice Service (Previously known as Lancashire Parent Partnership).

Staff monitor a child's progress in relation to the agreed targets.

In conjunction with the School Nursing Service, Health and Care Plans are updated every year to support a smooth transition into the next class.

Individual Pupil Plans (IPPs)/Individual Education Plans (IEPs) are produced termly or half termly depending on the circumstance and pupil and the school operates an Open-Door policy and practice with regards to any concerns a parent may have.

Mapping of our SEND provision is conducted on a termly basis, to ensure all children with an IEPs are receiving appropriate and effective intervention. We implement a wide range of approaches, programmes and techniques to meet identified needs which promote attainment and achievements. The effectiveness of interventions are assessed through the use of the tracking process. Both summative and formative assessments by the class teacher also contribute to this process of monitoring and evaluating progression.

We actively involve external specialist agencies. Any recommendations that are made are incorporated into differentiated classroom teaching and learning/IEP time, demonstrating a graduated approach to identifying and meeting needs.

Working closely with parents and our colleagues from other services progress is reported, monitored and reviewed on a regular basis. As required and in the interest of promoting information sharing practice and effective multi-agency working Common Assessments (CAF) and Team Around the Family (TAF) Plans are used as a tool to working partnership with parents

Pupils' progress is closely monitored regularly throughout the school. An up to date record is kept of SEND pupils or pupils with disabilities in terms of provisions made. Head Teacher, SENDCo and Inclusion Manager meet on a half termly basis to review the process.

The SENDCo and Inclusion Manager hold weekly meeting to monitor process and practice in relation to SEND related issues.

All provisions are monitored and evaluated on a half termly basis to ascertain that impact that interventions and support have had, in terms of children achieving targets set. Provisions are then either amended or continued. TA monitoring activity is also reviewed on a half termly basis by SENDCo and Inclusion Manager.

As required, equipment is provided to meet identified needs such as ear defenders, weighted jacket or cushions, coloured rulers, glasses and overlays, fiddle pencils, pictorial/visual timetables. The school also has a small multi-sensory room and in October 2016 began a nurture group.

Keeping Children Safe

How and when will risk assessments be done? Who will carry out risk assessments?
What handover arrangements will be made at the start and end of the school day?
Do you have parking areas for pick up and drop offs?
What arrangements will be made to supervise a child during breaks and lunchtimes?
How do you ensure a child stays safe outside the classroom? (e.g. during PE lessons, school trips)
Where can parents find details of policies on anti-bullying?

What the school provides

The Head Teacher and class teacher carry out Risk Assessments where necessary and adhere to completion dates set. Where required specialist advice is sought, and reflected in individual Risk Assessments.

All Staff have an up to date CRB/DBS clearance which is kept in a single Central Record.

If required a handover is carried out by the TA or class teacher to the appropriate parent/carer. There are parking areas by the school for pick up and drop off points.

Lunchtime welfare assistants supervise children in the dining area and the play areas at lunch times. At playtimes teachers and teaching assistants supervise the children. School also has qualified members of staff in the first aid area during all breaks.

During PE sessions, the class teachers ensure that the children are kept safe by following detailed plans that they have written. These plans highlight potential hazards and risks and put in place strategies to deal with these. In some classes, TA's are also available to support children that have specific needs so that they are kept safe and can also access the curriculum.

When planning and taking children out on trips the visit leader completes a detailed risk assessment on the Lancashire Evolve System. All visit leaders ensure that the pupil: adult ratio is adhered to and the EVC co-ordinator as well as the head authorise the risk assessments before a trip takes place.

Each pupil with a Statement of Educational Need/Health Care and Education Plan, has

designated TA support.

Parents can access the Anti-Bullying Policy, E-Safety, the Special Education Needs Policy and the Policy for Intimate Care on the school website.

Health (including Emotional Health and Wellbeing)

How do you manage safe keeping and administration of medication?

How do you work with a family to draw up a care plan and ensure that all relevant staff are aware of the plan?

What would the school do in the case of a medical emergency?

How do you ensure that staff are trained/qualified to deal with a child's particular needs?

Which health or therapy services can children access on school premises?

What the school provides

We have a range of practises and process in place to keeps children safe at St Paul's.

As required, in partnership with parents, we will complete a Common Assessment Framework (CAF) to engage and co-ordinate a package of support for a child and their family.

All medicines are recorded in a medicine file along with details of dosage and frequency and parents sign to grant authorisation to the school to administer to their child. As required identified medication is kept in the school safe.

With full parental consent Care Plans are passed on to the relevant Class Teacher/staff and the master copy is kept in SEN records.

EpiPen training provided annually by the School Nurse to ensure staff are conversant with the appropriate action or medical procedure required.

In the case of an emergency the relevant services would be called up on and parents contacted immediately.

A number of education, health or therapy services can be accessed by children access on school premises as required. For example: Speech and Therapy, Occupational therapy, Physiotherapy, Integrated Disability and Support Services (IDSS) and School Nursing service, Child councillor, Educational Psychology, ELCAS workers (Child and Adolescent Mental Health Practitioner) and Specialist Teachers.

Communication with Parents

How do you ensure that parents know "who's who" and who they can contact if they have concerns about their child/young person?

How do parents communicate with key staff (e.g. do they have to make an appointment to meet with staff or do you have an Open-Door policy?)
How do you keep parents updated with their child/young person's progress?
Do you offer Open Days?
How can parents give feedback to the school?

What the school provides

The website contains details of all staff currently employed by the school and the School Prospectus also provides this information.

The school operates an open-door policy to parents. This is enabled by the availability of two Child and Family Support Advisors. An appointment system is also offered to parents if they feel meeting with specific staff would be of benefit.

In addition, at the point of need, and agreement, our Home/School Communication Books are used by parents and staff to communicate and care for our children.

Meeting are arranged with parents when needed so that matters arising can be dealt with in a timely manner that promotes desire outcomes.

The School offers 3 parent evenings a year to provide opportunities for parents to discuss the progress of their child. These take place straight after school and finish at 6pm so that they accommodate working parents. If parents are unable to make the dates and times set the school offers telephone appointments or arranges a different time and date that is mutually agreeable.

New parent information evening is offered once a year. During the Summer term stay and play session are offered. These run in parallel with informal parent coffee afternoons, that provide their opportunity for parent to ask question regarding their child in St Paul's school.

A parent questionnaire is also provided for parents to record their views and suggestions.

During September, the Inclusion Manage conducts a SEND consultation with parents.

Working Together

What opportunities do you offer for children to have their say? e.g. school council
What opportunities are there for parents to have their say about their child's education?
What opportunities are there for parents to get involved in the life of the school or become school governors?
How does the Governing Body involve other agencies in meeting the needs of pupils with SEN and supporting their families? (e.g. health, social care, voluntary groups)
How do home/school contracts/agreements support children with SEN and their families?

What the school provides

At school, we offer a wide range of Student Leadership groups which are led by the children and supervised by a nominated member of the staff.

The leadership groups represent the student voice, act on behalf of students and ultimately work towards improving the children's experience at school. They are all a valuable asset to the running of the school, and meet at least once per term.

Parents are encouraged to discuss their child's needs, development, progress and school experience in Parent Evenings, Parents Forum, Annual Reviews, IEP reviews and additional meeting (if they express a wish to do so).

The school values and encourages the active participation of parents in the life of the school. At present we have a number of parent teams that are involved with the school. These include the PTA, PIP team (Parents in Partnership Team) Marketing team and the Larkhill Outdoor Classroom action group.

Elections to the Governing Body are held in the event a vacancy arises.

What help and support is available for the family?

Do you offer help with completing forms and paperwork? If yes, who normally provides this help and how would parents access this?

What information, advice and guidance can parents access through the school? Who normally provides this help and how would parents access this?

How does the school help parents with travel plans to get their child to and from school?

What the school provides

The school has a Family Support Worker, an Inclusion Manager who working conjunction with the SENDCo in meeting the holistic needs of children with SEND. The Inclusion Manager is available every day and part of the summer school holidays (available is posted on the school website each summer) to support families as required. This included helping with forms, and supporting access to a range of services that are able to help parents and their children.

There is a notice board which contains additional information of upcoming events or general useful information. This information is also displayed on each classroom window. All upcoming events are also sent out on a weekly newsletter by the Headteacher and posted on the school website. Each class produces a weekly newsletter.

If a pupil required, a Travel Plan to get their child to and from school this would be dealt with by the class teacher, SENCO and Head Teacher.

Transition to Secondary School

What support does the school offer around transition? (e.g. visits to the secondary school, buddying)

What the school provides

At key transition point in a child's life our school offer the following:

Induction into the Foundation Class (Reception) includes:

Information sessions for parents

Key worker session

Story sessions for parents and their children

Pre-school visits

Each Year 6 pupils visit their forthcoming Secondary School for taster sessions and Secondary Teachers from the Local Schools visit to help ease the transition from Year 6 to Year 7.

The children also get the opportunity in the summer term to spend a day at their new high school. As part of their transition day whereby they meet their form teachers. Prior to this the Heads of Year 7 from the secondary schools arrange a meeting with the year six teacher to talk about each child. The year six teacher will complete a transfer form for each child prior to the visit. Any concerns with regards to attainment/personal/social/emotional are also mentioned.

In addition children with SEND, or with other identified needs are provided with a personalised supported transition programme. This is arranged between our primary school and their secondary school. This is conducted in full consultation with the pupil and their parents.

Extra-Curricular Activities

Do you offer school holiday and/or before and after school childcare? If yes, please give details.

What lunchtime or after school activities do you offer? Do parents have to pay for these and if so, how much?

How do you make sure clubs and activities are inclusive?

How do you help children to make friends?

What the school provides

Our extended provision, after school, includes the Bright Young Things Club, offering a

daily Breakfast Club and After School club. This is available to pupils and parents that express an interest. This care is provided by the school under the Governing Body. There is a nominal charge for this child care but the Governing Body run a legacy to support for families in financial hardship with free places.

St Paul's School is actively engages with the Rossendale Sport Partnership. Though this partnership we are able to bring together a multi-sports package that has a focus on inclusion.

In addition, we offer weekly opportunities for pupils to take part in weekly sports sessions during the school year.

For Foundation Stage and Key Stage 1 we have Absolute Football, Writing Club, Bookworm/Story club and multi-skills. At Key Stage 2 we offer Cross Country, Football, Tag Rugby, Athletics, Table Tennis, Basketball, Dance Club and Netball Cricket, all free of charge. Music lessons are something that parents pay for on a termly basis. Charges for costed activities can be subsidised with PP funding where necessary.

Children entering Reception are assigned a Buddy from Year 6. Buddies also help Reception children during Lunch in Autumn Term to help new pupils settle in to normal School routines.

Any lunch time activities are open to all children.
