#### HeartStart training

On Thursday 26<sup>th</sup> October, the Year 6 will be taking part in training delivered by the British Heart Foundation Heart Start initiative. This is a resource offered to all Year 6 pupils in Rossendale and teaches the children what to do in the event of a serious or life-threatening medical emergency, using visual aids (short DVD scenarios) and practical work. The course covers how to call an Ambulance and what to do until help arrives, choking, serious bleeding, how to recognise a heart attack, recovery position and Cardio Pulmonary Resuscitation (CPR). The session will be run during school time.

If your child has long hair, please ensure that it is tied up on the day.
