CLASS NEWS

Pirates!

The children have continued to enjoy our 'Pirate' topic! We have been reading treasure hunts, reading facts about pirates and writing pirate stories and facts.

Homework

We have practiced doubling and halving this week. Please use practical items (we used pirate 'treasure') to share into equal groups and to double numbers up to double 5. Lots of work on finding 1 less than a number and counting back would help with work in class too.

Sports Day

Sports Day will be held on Wednesday 28th June. The start times for EYFS and Year 1 are below. The Sports Day usually lasts for one hour. In case of inclement weather, the EYFS sports will be held in the hall and Key Stage 1 will be postponed.

Our newsletter is always available on our website, please look for the starfish class page.

Friday 23rd June 2017
