CLASS NEWS

This week in English we have continued our work on science-fiction; the children have created Story Mountains, written a story opening and planned a problem in their story, as well as work on grammar and punctuation.

In Maths this week, we have been looking at number sequences and patterns using number, shapes and objects. The children have applied their skills, sorting shapes, objects and numbers. The children particularly enjoyed sorting minions.

This week in forest school was extra special as the children got to enjoy a special treat accompanied with hot chocolate as it was the last forest school session of this academic year.

Next week the children will be taking part in road safety awareness stage 2.

Sports Day

Thank you to everyone who was able to attend the sports day, we really appreciated the support. The children all really enjoyed taking part and had a great time despite the gloomy weather.

Homework

The weekly spellings are in the children's homework folders.

Maths Homework- My Maths

ROLL OF HONOUR

This week's Learner of the Week is: Tyler Jennings for giving 100% to every lesson.

St Paul's BLP Hero is: The whole Turtles class for their super effort and collaboration at sports day.

Reading Award: Francesca Harris: Great understanding and empathy of characters feelings and thoughts.

Topic Award: Eli Nolan for his improved writing and remembering to use finger spaces in all his work.

Maths Award: Farah Khan, who has tried really hard to continue number sequence and work out the difference between two numbers.

Writing Award: Ethan Guy for fabulous effort and writing a super story: with a beginning, middle and end. Including all the features we had asked for including interesting adjectives, speech and punctuation.

Well done to all the children who have been on gold this week.
