### CLASS NEWS CLASS NEWS -

#### This Week's Learning

We had a visitor in our RE lesson. Rev. Chris came in to talk to us about advent, how he prepares and the traditions he takes part in over the Christmas period. We had lots of questions to ask him.

For our Science experiment we were investigating the best road surface for a car to travel. We were making sure that we kept our experiment fair and predicted our results. After the experiment we tried to record our results in a bar chart. Unicorns thoroughly enjoyed testing the different ramps.

### ROLL OF HONOUR

Learner of the Week - Sonny Bone for trying hard in every subject and always doing his best to learn.

Well done Lizzie, Jennifer, Matilda and Haroon for moving up to gold!

Building Learning Power award goes to Harry Marlow for great team work when acting out his play script.

### DATES FOR YOUR DIARY

12th December - Junior Carol Service at 10.30am (including year 2 children in Unicorns).

14th December - Transition unit party - non uniform.

15th December - Unicorns Christmas lunch

21st December - Toy Day

21st December - Winter Wonderland in the hall - 1.45pm - 2.45pm
