CLASS NEWS CLASS NEWS -

On Thursday 25th November the Christingle Service will take place at St Pauls. Please bring an orange into school on Monday so we can make Christingles in school.

This Week's Learning

On Wednesday we met Buddy from the NSPCC who helped us learn about Child Line and how to deal with any worries that we have. We also made posters to help us remember and for others learn about Child Line.

During our RE lessons we have begun to look at the story of the Nativity. We are focussing on different people throughout the story and how they might have felt at the time. We then thought about our personal experiences where we may have shared a similar feeling. It has been interesting looking at King Herod and how many children have felt angry or jealous at some point. Well done unicorns for opening up about these tricky feelings.
