DRAGONS

Breathing Fire into our Learning!

Mrs Cooper

Mrs Todd

Friday 28th April 2017

Dear Parents / Carers,

Letters

It is very important that we receive all of our letters back asap.

Tatton park trip letter with money and the consent form for 'How to train a dragon' film. Thanks

ICT

We have had our first session on the computers using 'sketch up'. As predicted the children loved it! They were fully immersed in their learning and we are looking forward to another session next week.

If you haven't had chance to download the free trial at home it would be great to take the opportunity.

Maths

In our maths lesson, we have been looking at decimals and different units. If the chance arises where your child could solve a 'real life' problem dealing with money or measures that would be great. This could be dealing with a shopping bill, measuring a variety of objects, ordering the different amounts etc.

Many thanks – Mrs Cooper and Mrs Todd.

ROLL OF HONOUR

This Weeks Awards – WELL DONE

Maths Superstar – Samual Ahmed

For AMAZING work looking at rounding decimals and completing 4 tasks instead of 2.

Writer – Ivan Wen

For fantastic writing across the board. Always including the necessary features and striving to improve.

Handwriting – Leah Pohrebienyk –
Beautifully presented work in all subjects.

Learner of the Week –Jasmine Hurt

For an excellent attitude towards school life.

BLP – Jaden Lee

Super work in forest school this week using different tools and overcoming challenges.

Topic – Eve Lukey

Amazing Viking artwork. What a talented young artist.

Reading – Ridha

Always keeps up with her home reading and males sure her reading diary is signed resulting in her making good progress.
