Look for the errors in Jacob's homework below, can you rewrite the paragraph correctly?

There are 8 mistakes.

Yesterday I had what was, possibely, the best day of my life! I was incredibly excited because we were going to the theme park. The first ride started very gently but then it went so fast that I became terribly scared and screamed all the way round!

For lunch we all sat comfortabely on a big bench, the food was very tasty. Afterwards I asked if it we could go on more rides. We went on a water ride and got so wet our fingers became wrinkley.

After 3 hours mum said we simply had to go home as we were going to be late. I was happy to leave as I was feeling incredibly tired after my amazing day, I fell asleep in the car straight away!
