

Classroom Behaviour

Throughout St Paul's we encourage children to behave in a positive manner. We use a 'Learning Ladder' in all classrooms which are there to help all the children to manage their behaviour. Any child who consistently does not follow our Golden Rules may miss some of their playtime/lunchtime to talk about their actions.

Communication

Please do not hesitate to speak to an adult on the door if there is any other information that you may need. You can also ask a member of staff to phone you if the above is not appropriate.

Weekly newsletters are written and these are available on our website on our class page. Topic webs that detail what your child is learning are also available.
