## Alders Class Week 25<sup>th</sup> January 2021

### Mindfulness activity

#### Positive papers

Play this with your family members:

Everyone will write their names in the middle of plain paper, they will place their paper on the floor. The aim of this game is to fill everyone's papers full of positive and lovely comments about each person, when each family member returns to their own paper they will see how kind everyone can be and how much love everyone has for each other.

### Phonics Play

Log onto Phonics play <https://www.phonicsplay.co.uk/>

Username: jan21

Password: home

Play phase 5 tricky word games

### Oxford owl

Please spend time reading with your child. If you are running out of books at home oxford owl has ebooks for your children to read.

<https://home.oxfordowl.co.uk/reading/free-ebooks/>

### #21minutechallenge

Rossendale School Sports Partnership have put together a number of resources to help our children and families stay active during this lockdown. To support this, they have launched the 21 minute challenge. The aim is to take part in at least 21 minutes of continuous exercise every day, whether it is going out for a walk, taking part in a home learning task from school, playing out with siblings or completing a Joe Wicks workout. We are encouraging our school and home learners (and their families) to take part and log their daily activities. Please follow the home learning links on our school website for the activity log. It would be amazing to see as many of our families getting out and being active. <https://www.thornclancs.sch.uk/pe-resources-rossendale-school-sports-partnership/>

## Alders Class Week 25<sup>th</sup> January 2021

### National Marine Aquarium

#### Deep Science

Every Friday during the lockdown, you will be able to tune in to two special shows on our Youtube Channel here: Click here to visit our YouTube channel

FRIDAYS AT 1:00PM - 1:20PM [KS1&2]

The first, 'Deep Science' (1:00pm - 1:20pm) will see our Aquarium teachers meet some of our amazing animals as well as stopping in at our Aqua Lab to explore the science behind the animated ocean exploration tv series 'The Deep' (CBBC @12pm on weekdays during lockdown). Expect fascinating facts and real time experiments, as well as ideas to follow up with at home (curriculum linked of course!)

Key themes for each week are as follows:

15th Jan - Underwater Volcanoes

22nd Jan - Creature Classification

29th Jan - Nautical Navigation

5th Feb - Ocean Mysteries

12th Feb - Megafauna

19th Feb - Life Cycles

26th Feb - Looking after the Ocean
