CLASS NEWS

I cannot believe that the time has come to finish the school year. I spoke to the children this morning about how proud of them I am. They have been amazing this year and so resilient. I cannot believe everything that they have had to cope with but they have been truly astounding and have amazed me every day.

I am going to truly miss each and every one of them and I cannot wait to see them back in September.

Mrs Alvarez, Mrs Smith and I would like to thank you for your kind gifts.
