CLASS NEWS

The end of week 2 and I got the chance to meet a few of the home learners over video call. It was really nice to meet you and I cannot wait to see you again soon and the learning you have been doing at home.

Home Learners-

We are continuing with the home learning grids, in addition to the links I have added some Maths sheets to link to the Oak Academy lessons. We are asking as a school that once a week you email all the work completed at home for me to give you some feedback. This can be work from the home learning grid or extra learning you have completed with your grown up and family. Any questions, advice, login details or enquiries for extra work can also be sent to the new class email as listed below. Well done in this tricky time and keep up the good work!

Class Email: ashes@constablelee.lancs.sch.uk

In school learners-

A great week in school and lots of children showing our core value of this half term, respect. We will continue to read with children in class while books are not being sent home due to the current government advice. Alternatively, you can always find books online at [Oxford Owl](https://www.oxfordowl.co.uk/). After seeking advice and guidance we have been instructed to keep any creations or pieces of work the children make that would normally be taken home daily. Under current guidelines all work will be sent home at the end of term. Please be reminded to send a snack with your child for the afternoon, under current restrictions we no longer get fruit deliveries for snack time.

Spelling Shed/NUMBOTS-

Sorry for the delay in setting work on Spelling Shed. Work will be set Monday to Monday from next week. Children in reception will now have a login for Spelling Shed and NUMBOTS. Please may I ask that you send a request for your login details to the class email address above, as per the guidance we will not be printing them and sending them home due to the possibility of cross-contamination.

#21minutechallenge

Rosendale School Sports Partnership have put together a number of resources to help our children and families stay active during this lockdown. To support this, they have launched the 21 minute challenge. The aim is to take part in at least 21 minutes of continuous exercise every day, whether it is going out for a walk, taking part in a home learning task from school, playing out with siblings or completing a Joe Wicks workout. We are encouraging our school and home learners (and their families) to take part and log their daily activities. Please follow the home learning links on our school website for the activity log. It would be amazing to see as many of our families getting out and being active.

Date: 15th January 2021

Dates for your diary

PE dates:

(Please remember to come in your sports kit on these dates)

19th January

26th January

2nd February

9th February
