### Changes to BYT Provision from Monday 22<sup>nd</sup> June 2020

Dear Parents/Carers,

It is with much regret that I have to write this letter however, we have to put the safety of all children and staff first. We have been extremely proud to be able to provide before and after school care for Key Worker children since the beginning of lock down. As you may be aware, this is something that lots of schools in the county have not been able to provide.

However, due to the new Government guidance released this week, it has been advised that any children who are using wrap around care must stay within the bubble which they are in throughout the day. Due to the increase of children attending school from Monday 22<sup>nd</sup> June, this is not something we are able to safely do.

This would also prevent the classrooms from having a deep clean at the beginning and the end of each day as every classroom would be being used.

Due to the movement between bubbles whilst using our wrap around care, if a child becomes unwell and is tested positive for COVID-19, then instead of the one bubble isolating, we would have no option but to close the whole school for 14 days. As you can appreciate, this would have a massive impact on lots of families.

We appreciate this is far from ideal and sincerely apologise for any inconvenience this may cause but we have to put the safety of all our children and staff first. **These changes will begin from Monday 22<sup>nd</sup> June.**

Thank you for your continued support and understanding during these difficult times.

Kind Regards

*Mrs Charlesworth*  
Headteacher
