

## Homework

This year children will receive TTRockstars homework, and Spelling Shed tasks/practice every week and this will be given on a Monday to be completed by Friday. Passwords will be glued into the front of reading records.

If your child does not have access to the internet, please let me know as soon as possible and an alternative maths homework will be arranged.

## Snacks

At break time your child may bring fruit or a healthy cereal bar to eat during play time. At this time toast will not be available at break.

In the afternoon, children can also bring fruit for a snack, after we have completed run a mile. Our lunch time is at 11.30 so a fruit snack will also help fuel brains for the afternoon learning.

I am excited to be teaching your child this year and working in partnership with you all. Please remember to visit our class website for news and photos.

If there is any other information that you need, please do not hesitate to call into class

Thank you.

Mrs de Boutemard

# Welcome to Enchanted Elms.

Information for parents  
2020–2021

### **A warm welcome to Enchanted Elms**

Welcome back after the summer break. I hope you have all had an enjoyable summer, even with all the restrictions in place. Please find enclosed information that will guide you and your child through this academic year. The last school year has shown how quickly guidance can change, so I will do my best to keep you updated if anything changes.

### **Teaching staff**

Alongside myself will be Miss Bishop and Mrs Haworth. Miss Bishop will also be covering my planning time, usually on a Wednesday afternoon.

### **Personal belongings**

Your child is responsible for looking after their own belongings. Please make it easier for them by naming all items of clothing, including coats, hats and scarves. The children will be keeping their coats on the back of their chairs. Packed lunch bags will also be kept under their tables.

At this time, please do not bring any bag or pencil cases into school. All writing equipment needed for lessons will be provided.

### **PE/Forest school kit**

Our PE session is Monday afternoon. **On this day, please send your child to school in a blue/black tracksuit, white T shirt and trainers.**

Forest School will be every other Tuesday afternoon, starting on Tuesday 8th September. Kit should be brought to school and hung up in the garage before entering school.

Jewellery is not to be worn for PE sessions and earrings will need to be removed on these days. Please note PE days may change due to sessions with specialist coaches taking place in school, so ideally your child should be able to remove their own earrings.

### **Medical information**

Please ensure that if your child needs any medication within school such as inhalers, that they are in date and the relevant medical form has been completed at the office. All medication should be clearly named and handed to the school office or myself as soon as possible. **Please note, it is the parents responsibility to ensure medication is in date.**

### **Reading**

To be able to quarantine reading books, they are all going to be sent home on Monday and to be returned to school on Thursday.

As there is an expectation that children in Year 3 should be reading for a minimum of 10 minutes each night, this can be their school books, as well as, any book from home/the library. Another alternative is reading magazines and comics.

Please ensure your child shows a good understanding of the text and can answer questions about what they have read.

### **Library**

At the moment we will not be using the school library for children taking books home. We will be using the class library for children to read a wide range of books during quiet reading time.

### **Newsletters**

In order to protect our planet, weekly school and class newsletters will be posted on our school website unless a paper copy is requested. Please let me know if you are unable to access the internet and require a paper copy.
