Miss Yates

CLASS NEWS

This week in Elders, we have been learning about air resistance, making healthy choices and the different features mountains have. The children have been working super hard in English and have produced some amazing letters. Some of the vocabulary that has been used is very impressive- well done. ☺

Swimming

The children have now been put into groups. The coaches have said that the children are continually assessed and groupings may change, dependent on the progress the children make each week. I am very pleased at how confident the children were in getting in the water and giving it their all.

Earrings must be removed before swimming and children with long hair MUST have a swimming cap.

Reading

It has come to our attention that some children are not reading their school reading books and reading their own books instead. It is great that they are reading their own books, however, we would encourage them to read the schoolbooks as this is the level they have been assessed at and the books are specifically targeted at their level. This means that the books include words and spelling rules within the texts to help them progress and it also gives them the opportunity to read a variety of texts, including fiction and non-fiction.

Please hand in reading records EVERY DAY!!!!

Homework

Homework is set on spelling shed and children have TTRS to complete each week.

Year 4 have a times tables check in June and they are required to know all the times tables, so I have added a couple of links that have games available.

Please check the adverts before allowing your child on the website.

<https://www.timestables.co.uk/multiplication-tables-check/>

<https://mathsframe.co.uk/en/resources/resource/477/Multiplication-Tables-Check>

<https://www.topmarks.co.uk/maths-games/hit-the-button>

An email has been sent to the parents of year 4 children regarding the Times tables check in June. It includes information about the check. If you have any additional questions, then please don't hesitate to ask.

Date: 13/05/2022

ROLL OF HONOUR

Learner of the Week: Rosie...
*for always trying her best
and producing some fantastic
writing based on our book.*

Topic Award: Eden... *for
