

## Elders' Home Learning Grid 3 Summer week 2.

I hope that you are all safe and well. I have updated the learning grid to help you keep to a routine as much as possible. You can use ideas from the previous grids too. These activities have been designed to keep some structure in the day. They are not designed to replicate school at home. It isn't necessary to do six hours of learning, like in school (as at home you will have more one to one learning opportunities).

You can complete the activities in your home learning book or in a word document. I would love to see any examples of home learning. You can send photos to the school email ([school@constablelee.lancs.sch.uk](mailto:school@constablelee.lancs.sch.uk))

### **Daily expectations:**

**TT Rockstars:** Practice your times tables to improve your fluency and recall of timetable facts.

**Spelling Shed-** New spellings are set every week.

**English unit-** We will be using units of work produced by Lancashire to support your child's reading and writing skills at home. We will be using the one from week 1 The Train to Impossible Places by P.G. Bell. (If you've already done week 1 go onto week 2). All the resources are accessible by clicking on the links on the planning unit. I hope the children enjoy the units of work and I look forward to hearing how you get on.

**Purplemash-** Additional activities have been set. Please encourage your child to check it regularly. We have a class blog too, where you can share your ideas and it's a lovely way for your friends to see what you have been up to.

Many thanks for your support. Stay safe and keep smiling.

Mrs Nolan

### English

- Keep practising your activities on spelling shed these will be updated each week. Can we be spelling champions?
- Read for 20 minutes each day. Check Purple Mash for book review activities linked to this.
- Continue to keep a diary to record your thoughts and feelings.
- Use the Lancashire Home Learning Read and Respond Unit- The Train to Impossible Places. There are some fantastic learning opportunities and the film clips are accessible at the click of a button.

### Maths

- Go to <http://whiterosemaths.com/homelearning>. You will find an activity for each day for each year group. The BBC bitesize also have daily lessons with videos. If you are finding the work too tricky look at the work the year before and practice that.
- Play TT Rockstars, I will keep updating the challenges you can play against other classes or challenge me to a game.
- I've added some maths resources to our page have a go at 5 questions from the test at a time, have your answers checked and then discuss ideas and any misunderstandings.
- Additional activities have been set on Purplemash.

### Art

-SEE IDEAS FOR ART ACTIVITIES ON OUR CLASS PAGE- SEE LOTS MORE IDEAS FOR ART ACTIVITIES AND IDEAS ON OUR CLASS PAGE.

Create a poster to thank the refuse collectors to display in your window at home.

## Elder's Home Learning Project /Grid 3. Summer 1 week 2

### PE

- Join in with PE with Joe Wicks live at 9.00 or watch later at a time to suit your family.
- Use the 'Go noodle' website and learn some of their dances.
- On the Home Learning for All page the Lancashire Games has a weekly activity.

### Our new unit for this term is Space "Stargazers"

-Research the planets in our Solar system. Display your information in a creative way. E.g fairy cakes to represent each planet, make a model or even write a song.

- Make a timeline of important events in space research and travel such as the first person to go to space etc.

### Science-

- Our new unit for this term is Electricity.

Learn how to be safe around electricity. Make a poster to display the information.

<https://www.bbc.co.uk/bitesize/topics/zg82n39/articles/zftv382>

-Keep a record of the different appliances you or your family use in one day, which use electricity. Was it essential such as cooking or non-essential like watching television? Did it use electricity from a battery or from the grid?

### Home related tasks

- Make sure you help around the house- keeping your room tidy each day.
- Plan and make a snack or part of the meal for the family once a week.
- Stay in contact with family, write a postcard, facetime or email them. They would love to hear from you!
- Set yourself your own challenge- learn a new skill!
