Indoor PE: will take place on a Monday with Coach Dan.
Outdoor P.E will take place on a Friday please ensure appropriate clothing is worn and labelled.
Forest School will take place fortnightly on a Wednesday- long sleeves and suitable footwear is required.

Dazzling Elders Spring 2 2025

Science: Environment - Living things & their habitats.

- Recognise that living things can be grouped in a variety of ways.
- Explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment.
- Recognise that environments can change and that this can sometimes pose dangers to living things.
- Living things can be grouped (classified) in different ways according to their features. Classification keys can be used to identify and name living things.
- Living things live in a habitat which provides an environment to which they are suited. These environments may change naturally e.g. through flooding, fire, earthquakes etc. Humans also cause the environment to change. This can be in a good way (i.e. positive human impact, such as setting up nature reserves) or in a bad way (i.e. negative human impact, such as littering). These environments also change with the seasons; different living things can be found in a habitat at different times of the year.

ICT

Coding. The children will begin to use coding to make objects move on the screen or to change backgrounds. They will de-bug codes.
Spreadsheets- The children will look at how to use cells and how to use functions.

RE

The children will be learning about Christianity focusing on Salvation.

PSHE

This half term we will be focussing on 'Rights and responsibilities'.

Music

This half term the children will continue learning how to play the Ukelele. They will be taught by a specialist teacher Mr Williams.

Humanities

History:

We will focus our History subject on the Anglo Saxons and how they have shaped Britain to how it is today. Why did the Anglo Saxons come to Britain? (**Historical significance**)
What can we learn about the Anglo Saxons from the discoveries at Sutton Hoo? (**sources and evidence**)

Geography:

We will focus on the question Why do our oceans matter?
