

English

Our English and Guided Reading lessons will be linked to the Firework Maker's Daughter by Phillip Pullman. We will be developing our inference skills, writing letters, poems, diaries, and stories. We will also be learning about Traditional Tales.

RE

Our topic is Incarnation where we will learning about the Holy Trinity and what this represents. We will also be moving on to the Christmas story and making links to our own life and how we can help others at Christmas time.

Science

Our topic is healthy humans (catch up) and nutrition for animals including humans. We will -

Identify that animals, including humans need the right types and amount of nutrition and that they cannot make their own food; they get nutrition from what they eat ·An adequate and varied diet is beneficial to health. ·Regular and varied exercise from a variety of different activities is beneficial to health.

Compare and contrast the diets of different animals

Decide ways of grouping them according to what they eat.

Researching different food groups and how they keep us healthy.

Designing a daily meal plan.

Autumn 2 Year 3

Healthy Humans

How do we keep healthy?

How could we inspire others to be healthier?

PSHCE

Me and My Relationships -

We will be exploring why rules are different for different age groups, for internet-based activities. Suggest appropriate rules for a range of settings. Consider the possible consequences of breaking the rules Explain some of the feelings someone might have when they lose something important to them. Understand that these feelings are normal and a way of dealing with the situation. Define and demonstrate cooperation and collaboration. Demonstrate how working together in a collaborative manner can help everyone to achieve success and identify people who they have a special relationship with. Suggest strategies for maintaining a positive relationship with their special people.

Maths

Our Maths topics include -

Shape

Perimeter

Statistics

Written addition and subtraction

3d shape

Written multiplication and division

PE

Outdoor PE - Monday.

Please come into school in PE kit.

Forest school -

Every other Tuesday

Creative Curriculum

Music

Stage 1 Glockenspiel

ART

We will be linking our history learning from last term to the artist Lowry to practice our shading, lines, tones, pattern and texture. We will experiment with different drawing techniques (hatching, cross hatching, shading, blending, erasing) and make sensible choices about what to do next.

DT

We will be designing, making and evaluating a healthy sandwich for our Christmas party.

We will also be learning about levers and mechanisms to design, make, and evaluate a moving Christmas card.
