

### Food

Due to children within school with allergies please be aware we are a nut/sesame seeds and citrus free school. So water bottles shouldn't contain any juice. If your child is bringing in a packed lunch please be mindful of these allergies.

### Classroom Behaviour

Throughout St Paul's we encourage children to behave in a positive manner. Children will be rewarded with positive behaviour.

If there is any negative behaviour children will be spoken to separately to their peers and steps to resolve their behaviour will be put in place. If children don't follow the golden rules for the playground they will be encouraged to fill out a reflection form.

Please do not hesitate to come into class if there is any other information that you may need or if there is anything that you would like to discuss in more detail. For this an appointment can be arranged for a more suitable time.

Thank You
