CLASS NEWS

It was an exciting day yesterday with everyone in Elms visiting their new classroom and meeting their new teacher. I miss them already!

In Science this week we are carrying out an observation into how plants work. We have placed celery into water with food dye and will observe what happens to the coloured water.

ROLL OF HONOUR

Learner of the week - Sebastian for being focused on his learning, putting his hand up and trying all the high challenges when learning about Roman Numerals.

Important information

Please help your child learn their words for the year 6 leaver's service.

DATES FOR YOUR DIARY

Wednesday 18th July - parents evening in the hall - drop in

Thursday 19th July - toy day and finish at 1.35pm
