The Snow Dragon by Vivian French Watch and listen as Adrian Lester narrates a beautiful story full of lovely language about a world divided into two halves, the north and the south. The southern half is ruled by evil fire dragons and the north is ruled by peace-loving snow dragons. In between the two halves live the two-legs.

Lots of activities in this pack – some can be done without reading the whole book.

Where would you see this flag flying? What can you discover about it?

Why not have a go at creating some dragons, big or small, using junk modelling?
