

English (Literacy)

The following stories will be used to link with our theme 'Here and There' including 'Goldilocks and the Three Bears' 'A Chair for Baby Bear' and 'Paddington goes to London'

We will also orally recall and begin to write recounts about journeys children have made.

Children will be encouraged to write/mark make invitations, tickets, lists and passports, posters, signs and rules as they work in continuous provision.

Phonics will be taught daily. Guided Reading will take place weekly.

Mathematics

Children will continue to count objects to 10 and beyond, selecting the correct numerals and Numicon resources to represent the numbers. They will begin to find 1 more/1 less than a given number.

We will develop our knowledge of length and weight.

We will learn about shapes.

Here and There!

Understanding of the World

All children will create simple maps and plans.

Expressive art and design

Children will be encouraged to use a range of materials to design and make their homes.

Knowledge and Understanding of the World

Children will begin to learn about houses and household objects in the past, comparing these to objects we use now.

Understanding of the World

Computing Find their homes using Google Earth. Use BeeBots to control around a map. Use simple programmes to order numbers.

PE Children will practice travelling in a variety of ways; quick, slow, sideways and at a variety of speeds. They will practice climbing and jumping. Children will also practice throwing into targets.

RE Children will discuss the groups they belong to. They will visit St Paul's church and learn about Baptism; an expression of belonging for Christians.

PSHE- Children in Reception will take part in Road Safety, All children will learn about emotional wellbeing

Understanding of the World

Materials

Children know about similarities and differences in relation to objects and materials

Children will perform simple tests and investigations
