- History -
Key Learning
- Using specialist dates and terms, and by placing topics studied into different periods (*century, decade, Roman, Egyptian, BC, AD...*).
 - Identifying where some periods studied fit into a chronological framework by noting connections, trends and contrasts over time.
 - Construct informed responses that involve thoughtful selection and organisation of relevant historical information.
 - When doing this they should use specialist terms like *settlement, invasion* and vocabulary linked to chronology.
 - Use some sources to start devising historically valid questions about change, cause, similarity and difference, and significance.
