

English

- Folk Tales - The Tin Forest
- Explanation texts - the digestive system (Science)
- Poetry on a Theme - sounds

RE

Key question: How should we live our lives?

Focus Question: (for this investigation): How do Sikhs express their beliefs

Science

Knowledge & Conceptual understanding

- Describe the simple functions of the basic parts of the digestive system in humans.
- Identify the different types of teeth in humans and their simple functions.
- Construct and interpret a variety of food chains, identifying producers, predators and prey.

Working Scientifically

- Comparing the teeth of carnivores and herbivores.
- Suggesting reasons for differences [grouping & classifying].
- Finding out [testing and/or researching] what damages teeth and how to look after them.
- Drawing and discussing their ideas about the digestive system.

Autumn 1
Marvellous Maples
Was Egypt the only ancient civilisation?

PSHCE

- Addition and subtraction
- Length and perimeter
- Statistics

Indoor PE (Monday)-

Dance

Outdoor PE (Tuesday) -

Invasion Games.(Boccia)

Forest school -

Every other Friday

Creative Curriculum

History - we will be finding out where the first civilisations were, why the Egyptians built the pyramids and how their lives are different to ours?

Geography - we will be recapping the countries of the UK, continents and oceans as well as finding out about how Egypt is different to the UK. What makes it different? Learning about the River Nile and how this is important.

Art -

We will be reviewing artwork by Matisse, learning drawing and painting skills to create portraits and collage.
