

### English

This half term the children will be looking at stories with a theme. We are focussing on texts with a moral. The children will also look at poems with a structure and create an information text all about rivers, using the key features.

### Key Texts

Literacy shed- The Present.  
A range of information texts.

### Maths

This Half term we will be using maths mastery and will be focussing on:

- Multiplication and division
- 2D shape
- Decimal place value
- 3D shape
- Addition and subtraction

### Art

In art the children will be creating a piece of 3D art. They will need to explore shapes and styles before recreating a model of Tutankhamun's mask using paper Mache and other materials. They will also use their knowledge of mixing paints, to create the desired effect for the mask.

## Water, Water, Everywhere Marvellous Maples Summer 1 2021

Our Christian Value: Truth

### PE / Outdoor Learning

P.E will take place on a Monday and will focus on invasion games and net and wall games.

Forest School will take place fortnightly on Wednesday.

### Geography-

This half term we will be looking at rivers. The children will be looking at physical geography. They will identify where the rivers are in the world- using maps and online maps. They will also be learning about the water cycle and the types of land use and settlements.

### History-

In History, we will be looking at Ancient Egypt. We will look at Ancient civilisations and their way of life, identify differences between the different civilisations and how the Ancient Egyptians used the river Nile. We will also look at the pyramids and how they were built and how we can use different sources of evidence to find out about how the pyramids were used.

### ICT

Modelling and simulations.

### RE

The children will be learning about Judaism. They will be looking at the Shema and how this influences and guides believers in their everyday lives. They will also identify different artefacts and how these are used.

### MUSIC

Bringing us together.

### PSHCE

This half term we will be focussing on "Being my best".

### Science: Forces and magnets

The children will learn about how magnets repel and attract, which materials magnets are attracted to and be able to describe magnets as having two poles.
