## CLASS NEWS

### Reading records

Well done to those children who are reading regularly and bringing their reading records into school. Please ensure your child is reading every night and that their reading record is signed, at least 3 times per week.

### Homework

Homework for spellings is still on spelling shed. However, maths homework will be either on my maths or a paper copy. This is due to my maths having limited homework and that the children do need to consolidate some skills we have covered that week that may not be on my maths. This will be given out on Monday and is due in on Friday. Half termly homework has been handed out and is based on our topic- Vikings and our science topic- states of matter.

### Maples

This week we have in Maples we have been looking at keeping ourselves safe. We looked at the different risks and whether the children rated them as low, medium or high risk. We also looked at the differences between hazards, risk and danger.

The children have started their Judaism topic and thought about how people show they belong, whether this is belonging to a faith, job or a gym.

In our history lesson the children have looked at a Viking timeline. They have discussed and ordered the events and thought about how different events affected future events.

**Please ensure your child has a PE kit and Forest school kit in school at all times.**

### Book swap

If your child has read a book and doesn't want to keep it, to read again, there is now a box in both juniors and infants, where your child can swap one of their own books for one that is in the box. There will also be a swap box in the reception area for parents to swap books.

**The next forest school session is on Friday 24<sup>th</sup> January.  
Next week is the last Tri-golf coaching session.**

## ROLL OF HONOUR

Learner of the week: Tyler

BLP: Zack

TOPIC: Farah

Perseverance certificate: Theo

Well done to all the children this week, they have worked super hard and produced some great work.

**Please can you ensure that your child has a PE kit in school, at all times. PE times can change at short notice. Please ensure that kits are labelled.**

### Important information

**No citrus products or nut products to be brought into school, due to allergies.  
Thank you for your understanding.**
