Reading records

This week Maples class have been fantastic at bringing in their reading records, filled in and signed, well done. There are a few children, who are doing amazing in the reading challenge and are really enjoying reading at home- well done, keep it up!! ☺

This week in Maples, we have been writing our own story based on a clip we watched on Literacy shed. The children had to include a main character and the main character had to have a change of heart. They had to use a writing technique called 'show don't tell', which describes how a character is feeling through body language- they have been fantastic at this. They have also mastered using fronted adverbials for when/time and are including them in their stories.

Pantomime

We had a great time and the children's behaviour was outstanding. ☺

Christmas party.

Maples will be having their class party on **Wednesday 18th December.** Children can come in non-uniform on this day. A letter has been sent home with your child, detailing what they have been asked to bring to the party.

Friday is toy day- please ensure your child does not bring any electrical or expensive toys.

Christmas hats

The children in the junior unit have been asked to bring a Christmas hat, if they have one, to the Junior Carol service on Monday.

DATES FOR YOUR DIARY

Monday 16th December- Junior Carol service- 2pm.

Wednesday 18th December- Maples class party and non-uniform.

Friday 20th December- Toy day

Friday 13th December 2019

Courage certificate: Caleb

Well done to all the children this week, they have worked super hard and produced some great work.

IMPORTANT NOTICE

Just a polite reminder to some parents that anything that is put online is not always private. I would be grateful if parents would come and speak to myself or any of the Maples staff, if you are concerned or have any questions regarding your child or school. We have an open door policy and at least one member of staff is stood at the door in the morning and after school. If you feel a concern or query is not dealt with properly, then please remind or ask again, as there are 33 children in Maples class, which means at least 33 parents. Thank you ☺
