

CLASS NEWS

Maples

Don't forget our daily check in's at 9.40am- it's great to see you all 😊

Please can parents email work their children have completed? This can be some or all of the work. It would be helpful if you could email them as one email, rather than multiple. Please email before Thursday PM so we have time to respond. Many thanks 😊

#21minutechallenge

Don't forget to continue with the 21 minute challenge.

Home learning

Home learning grids are added to our website each week. Please use this to guide your learning throughout the week. The timetable is just a guide, just use it as you choose.

Mental health week

It was great to see so many of you 'dressing to express' yourself for mental health week.

Wellbeing afternoons

Each week, every class will be taking part in a wellbeing afternoon. The activity will be different each week and each class will be taking part. This gives the children the opportunity to have some fun and also take part in different activities each week. We know how intense it can be for some of the children at school and how hard they are all working, so we thought it might be nice for them, during this strange and difficult time. The children at home are able to take part in this, whenever they want to fit it in to their weekly schedule.

On Friday 12th February we will be having a film afternoon. If your child would like to bring in a treat to enjoy whilst watching the film, then they can do so, but please ensure there are no citrus or nut products. Don't forget to check the class newsletters for updates on the theme for the wellbeing afternoons each week.

Thank you for your continued support.
Miss Yates

Friday 5th February 2021

Maples zoom- 9.40am.

Monday- Quiz

Tuesday- Guess who?

Wednesday- Scavenger hunt

Thursday- Games

Friday- Film quiz

Well done to Rowan, who has been awarded our home learning certificate this week. He has produced some great work and has completed all of his learning.

Well done to Toby B, who has been awarded our Maples certificate this week for his great work in maths.

Mrs Nolan has awarded Freya 'learner of the week' for persevering with her maths using multiplication methods.

Thank you to all those who have sent in work this week. I am so proud of you all for all your hard work in school and out of school.

Please complete TTRS and Spelling shed daily and read for at least 10 minutes per day.
