

Friday 14th September 2018

We have had a fantastic full week in class with all the children settling well into the routines of the new school year. During the week, the children have also been introduced to our new topic of The Gallery Greats. Please see the topic web on the class page of the website for more details of what your child will be learning over the half term. The creative curriculum homework grid is also available on this page.

Alder Grange Taster day

On Thursday 4th October, all Year 6 have been invited to attend an open day at Alder Grange and your child should have received a letter about this. If you have not already done so, please return the permission slip so that Alder Grange know how many pupils will be attending.

All Year 6 should come to school as normal on that day and they will be escorted to and from Alder Grange by our school staff. A further letter nearer the time will follow.

High school admissions

You may be aware that the online form for applying for your child's secondary school place is now live. This needs to be completed online and the deadline for applications is 31st October. Non-submission of your application may result in your child not getting a place at the high school of their choice.

Forest School

Our first Forest School session of the year will take place on **Monday 17th September**. Please ensure that your child has all the appropriate kit in school.
