School News

What a busy week we have had! On Tuesday we welcomed back the 'Bible Storytellers' who shared the story of the Creation which was linked to our whole school theme of respect. The children loved this!

Thank you to all the parents who attended our Year 2 SATs information evening. We have received lots of positive comments about how informative and useful it was. A huge thank you goes to Miss Cowgill and Miss Cavaney for organising and presenting this.

It was lovely to see so many parents attending our EYFS Shared Learning event yesterday. We hope you enjoyed sharing your child's learning journey and I am sure you felt as proud as we do of all our children.

Newsletters

As a school, we try our absolute best to communicate to parents to share any important information. Every week, teachers upload a class newsletter to their class pages which shares the learning which has taken place over the week and also includes key events and dates. This is also shared through our whole school newsletter. We have made changes to the website to ensure it is 'mobile friendly' and the newsletters are easily accessible. If however, you are unable to access these then please let the office know and a paper copy will be provided.

Heating update

The engineers have been in school again all week trying to fix one of our air conditioning units. Please be assured that the school is warm and every classroom has heat. If your child is cold due to the winter weather please encourage them to wear long trousers, tights and additional layers to play outside in.

We are Reading

Don't forget to send your 'reading selfies' into school for our hall reading display. These can be handed to your child's class teacher or alternatively email your photo to

secretary@constablelee.lancs.sch.uk

On Thursday 7th March, we will be celebrating **World Book Day**. For this, we are asking children to bring a plain white t shirt to school with them. The children will decorate these t-shirts at school with details about their favourite book such as the title, author, images and a book review.

We also have lots of exciting book themed tasks which we will be completing across school based around the book 'Journey' by Aaron Becker. If your child would like to bring their own copy of the book into school to support their learning they are more than welcome to.

Winter Weather

As part of our winter preparation, I would like to inform you that we take Health and Safety very seriously in school and in the unfortunate event of extreme weather we will aim to remain open. If we have to close school due to dangerous weather conditions, we will update our school's Twitter page at the earliest opportunity. We will also update our PTA Facebook page, our school website and we will inform BBC Radio Lancashire.

PTA News

Thank you to everyone who supported and helped with our February disco, we raised £702 which is amazing!

Your child should have brought home a bag for our 'Recycle for School' event which will help raise funds that will go back into the school for all children to benefit from. These bags are a good way to have a good clear out of unwanted clothes etc and raise funds in the process. Posters have been placed on all the notice boards with a list of all the items that can be donated. Clothes can also be bagged in black bin bags if you would prefer to do that. Our next recycled clothing collection is on Monday 4th March. Please bring bags in to school by 9.00am. School will also be open on Sunday 3rd March, 10-00am until 12 noon to drop off your filled bags. Bags are to be left near the gates of the infant and junior playgrounds near the disabled parking area. For more information and to see how it all works, feel free to check out their website at www.robertsrecycling.co.uk/recycle-4-school

Our next PTA Meeting will be held at the school on Friday 1st March 2019 at 9am. It would be fantastic to see some new faces, so if you would like to see how the PTA works and how you could help raise funds for the school please come along. We are currently looking for volunteers to help us plan future events, especially disco coordinators so if you could spare any time to help it would be great to see you. If you can't attend the meeting, but would like to speak to us about volunteering please contact us through our Facebook page or leave your details at the school office and we will contact you.

I hope you all have a lovely half term break.

Many thanks for your continued support

Kath McArragher (PTA Chair)
