

# St. Paul's Church of England Primary Newsletter September 24

Friday 20th September 2024

From the words of St. Paul... 'Encourage one another and build each other up.'

## Headteacher news

Dear Parents and Carers,

I hope this newsletter finds you well. As we continue to nurture our strong school community, I wanted to take a moment to reflect on the values that make St Paul's Church of England Primary School such a special place.

At the heart of our school is a commitment to creating a stimulating learning environment where every individual has the opportunity to be the best they can be. This ethos is underpinned by the caring relationships we foster between staff, pupils, and parents. It's this partnership that truly allows us to achieve the very best for our children.

We deeply value the support and involvement of our parents and carers in school life. Your participation is not just welcome – it's essential. Together, we're equipping our pupils with the skills they need for adulthood, built on a foundation of care, integrity, trust, and mutual respect.

To maintain this positive environment, I'd like to gently remind everyone of our expectations for conduct within our school community. We ask that all members of our school family treat each other with

respect, using appropriate language and behaviour. This applies not just on school premises, but in all interactions related to school life, including online platforms.

We understand that issues may arise from time to time. When they do, we encourage you to approach school staff for help in an appropriate manner. Remember, we're on the same team, working together for the benefit of your children.

It's crucial that we all contribute to a peaceful and safe school environment. This means refraining from disruptive behaviour, inappropriate language, or any form of aggression. We also ask that you respect our policies on smoking, alcohol, and bringing dogs onto school premises.

By adhering to these guidelines, we're not just creating a positive environment for our children – we're setting an example for them to follow. We're showing them how to resolve conflicts respectfully, how to communicate effectively, and how to be part of a supportive community.

Thank you for your continued support and cooperation. It's through our collective efforts that St. Paul's Primary School remains a place where every child can thrive, learn, and grow.

Together, we're creating not just a school, but a community that uplifts and inspires everyone who is part of it.

## Macmillan Coffee afternoon

We would like to invite you to our Macmillan coffee afternoon which will take place on **Thursday 26th September between 2pm-3pm in the school hall.**

To make this possible, and to raise funds to support the work of the Macmillan Charity, we are asking for donations of cakes/buns to sell on the afternoon.. If you are able to help with this, please drop any donations off at the school office from Tuesday 24th September.

**Please note, we are unable to serve any items containing citrus, nuts or sesame seeds please due to severe allergies in school.**

We are hoping to have enough cakes for each class, who will have the opportunity to visit the event and purchase a slice of cake. If you would like your child to take part, please send them with some money on Thursday 26th September.

We will also have our Scholastic Book Fair open with lots of brand new books to buy and lots of great deals. An ideal opportunity for a few early stocking fillers, for those of you who are very organised! :)

If any parents are able to help support the event, please let me know by emailing [school@constablelee.lancs.sch.uk](mailto:school@constablelee.lancs.sch.uk) or contact the school office.

Thank you for your continued support and we look forward to seeing you all on the 26th September.

Get fit for Christmas - Take some time just for you.

Join us to complete Couch25K

Last academic year Mrs Alvarez led a number of Couch25K programmes with lot's of parents and staff completing the programme.

This year Mrs Alvarez is starting it again, and would love for you to come and join us.

If you would like to join us please email [BYT@constablelee.lancs.sch.uk](mailto:BYT@constablelee.lancs.sch.uk) and come to meet us outside the school office at 3.30pm, where Mrs Alvarez will talk us through the programme and collect emergency information from you.

You won't regret it!!!

## Athletics

Mr Rush would like to inform you about a change to our usual Friday athletics schedule. On Friday, 27th September, our after-school athletics session will not be taking place. I know many of our pupils look forward to this activity each week, and I want to assure you that this will resume as normal the following Friday.

**Have your circumstances changed? Apply for free school meals.**

For any parents/carers, **whose circumstances have changed** and think their child(ren) may be entitled to Free School Meals, please can an application form be completed. Parents can apply electronically via the link below:

<https://www.lancashire.gov.uk/children-education-families/schools/free-school-meals/?page=3>

**Registering for the Free School Meal service also means the school will receive additional funding for your child, which is called Pupil Premium.**

**Please note that younger siblings of pupils who are already entitled will not automatically qualify for Free School Meals. If a family's circumstances have changed and cease to be entitled to qualifying benefits, the elder children will be protected but any new children will not qualify. This is why Pupil Access Team require applications completing so they can properly assess new sibling's entitlement.**

## Influenza vaccinations

Flu Immunisation vaccinations will take place in school on THURSDAY 28TH NOVEMBER, please follow this link to complete an online consent form.

<https://nhsimms.azurewebsites.net/session/032f5d11>

This link will close on the 14th November 2024

If you have any problems accessing the link please telephone 0333 3583 397, Option 2, Option 2.

In the meantime, if you have already taken your child to the doctors or chemist to have the Flu vaccine, please kindly inform the school office.

Thank you.

## PTA

We hope that you have all settled back into the new school year!

 With the festive season growing nearer, your children will soon be getting letters sent home with their Christmas artwork attached, to give you the chance to order cards, labels or mugs. Along with these, there will be instructions on how to order.

**\*\*Artwork for any orders placed will need to be returned to school by 9am on Monday 14th October 2024 as orders cannot be printed without the returned artwork.\*\***

If anybody has any questions or problems, please message us, or speak to one of the PTA Committee 

 **Save the date!** Our next event is the autumn disco on Thursday 17th October 2024. Letters will be going out soon with all the details but please note it is NOT Halloween themed. We need lots of volunteers on the night to make the event possible so if you'd like to help please contact us via our Facebook page, email address [stpaulsrawtenstallpta@gmail.com](mailto:stpaulsrawtenstallpta@gmail.com) or leave your name and contact details at the school office and we will get back to you 

 On Friday 1st November 2024 at 3:20pm we will be holding our AGM. This is a chance for you to see what and how the PTA run and for you to get involved. We always need new volunteers! If you would like to attend please email us at [stpaulsrawtenstallpta@gmail.com](mailto:stpaulsrawtenstallpta@gmail.com). We look forward to seeing you there 

Many thanks for all your continued support!

## Starting Reception in 2025 or moving onto high school ...

For families living in the Lancashire area who require a primary or secondary school place in September 2025 you can now apply online via Lancashire's online system at:

[www.lancashire.gov.uk/schools](http://www.lancashire.gov.uk/schools)

This is a quick and easy way and offers an email receipt of all submitted applications. Please ensure that you hit the 'submit' button when you are ready to send in your completed online application. You must apply even if you have siblings at your preferred school or academy.

**The closing dates for applications for September 2025 are at 11.59pm on:**

**Secondary applications – 31st October 2024**

Primary applications – 15th January 2025

## Attendance/Holiday information

Attendance to school is compulsory, all children must attend every day unless they are ill.

**To enable us to safeguard our children, may we request that if your child is absent from school you, please telephone the school on 01706 215893 by 09:00am to inform us. If we have not received a call, a member of our office staff will call you to ensure that your child is at home and is safe.**

### What to do if my child is ill.

Despite school being cleaned daily using antibacterial solutions with the use of antibacterial soap and hand gels available for all to use freely. It is that time of year where illness and viruses start to unfold.

- The NHS have a helpful guide should you wish to use this. [Is my child too ill for school? - NHS \(www.nhs.uk\)](https://www.nhs.uk)
- . Please can you ensure that your child does not attend school for 48 hours after they have last vomited or had diarrhoea.

We are still encouraging good respiratory hygiene i.e. covering their nose/mouth with a tissue when coughing or sneezing, discarding tissues after use and washing hands with soap and water. It is important to reduce the risk to others.

### Can you authorise my child's absence?

As many of you are aware, we are unable to authorise any absences that are not illness related unless in exceptional circumstances. There is a 'leave of absence' form available from the school office however, we would ask that all holidays are taken within the holiday periods and not in term time, to avoid a fine from Lancashire County Council.

## Important Update – Changes to Education-related Penalty Notices from September 2024

### Information for Parents

You may be aware that the **Department for Education** announced national changes to penalty notices issued for unauthorised absence in term time. These changes will come into effect on 19 August 2024.

The changes to be aware of are:

**Please note that school does not receive any money for penalty notices.**

- Penalty notices issued for offences that take place after 19 August 2024 will be charged at a **new rate of £160 per parent per child. This can be paid at £80 if paid within 21 days.**
- A second penalty notice issued to the same parent for the same child within a rolling 3-year period will be issued at the rate of £160 to be paid within 28 days with no option for a discounted rate.
- The threshold at which a penalty notice **must** be considered is set at 10 sessions (equivalent to 5 days) of unauthorised absence within a rolling 10-school week period<sup>[1]</sup> . This may include absences as a result of arriving late after the register closes. The 10 school weeks may span different terms or school years.
- A maximum of 2 penalty notices may be issued to a parent for the same child within a rolling 3-year period, so at the 3rd (or subsequent) offence(s) another course of action will need to be considered (such as prosecution or one of the other attendance legal interventions).
- This also includes pupils with persistent absences.
- Only penalty notices issued for absences taking place after 19 August 2024 will count towards the above thresholds.

### Absences can have a lasting effect on learning

Missing a week of school means your child will miss around 25 hours of learning  
This creates gaps in their knowledge and could mean they will not meet their full potential

*[1] A school week is any week in which a school meets at least once.*

This week we have been learning...

### Brilliant Berries

Berries have had another wonderful week; they have been worked so hard and we are very proud of all our Berries'. They have really settled well into the routines of school and are so happy and smiley every day. They are a pleasure to teach.

In English, we have been continuing our story of Goldilocks and the Three Bears! The children are really enjoying reading and watching the different variations of this and now they are beginning to act the story out in their own play which is lovely to see. In science this week, we have been testing which bed is the comfiest and deciding what we need to make a nice cosy bed, lots of pillows are essential, as well as a snuggly blanket.

In maths, we have been working hard on our own targets and impressing myself and Mrs Coleman with their knowledge of numbers. I am going to be sending home some top tips for each of your child's targets next week, so you know what they are working on. On Wednesday, we loved our first forest school session with Acorns! We had so much fun exploring forest and school and saying hello to Felix! Please remember, your child needs wellies and outdoor clothing for forest school.

On **Monday**, we have our first PE lesson. Please ensure your child comes to school dressed in their PE kit.

As always, if you need anything, please do not hesitate to ask, either at the door or if you require a longer conversation, I am happy to book an appointment to do so.

I hope you all have a lovely weekend and the sunshine continues!

Mrs A Taylor 😊

## Amazing Acorns

Another amazing week in Acorns class. In phonics, we have been learning the sounds s, a and t, as well as learning how to blend and segment some words. We have also been practising identifying and writing our own names.

In science, we have started our topic of everyday materials. The children have started by looking for natural things in our environment. We have introduced some new vocab such as smooth, rough and bumpy.

The children have loved learning about road safety this week, and now know how to cross a road safely by holding an adult's hand. Our first session at forest school was lovely. The children were amazing at getting themselves dressed. Well done Acorns. :)

We will be starting our PE session on Monday, so please send your child into school dressed in their PE kit (PE kit: white tee shirt with/without school emblem. Blue shorts and trainers).

Next week, the children have been invited to welcome service at St Paul's Church on Thursday 26th September. We will have the chance to meet some special members of our church, explore the building and listen to a bible story. (Children and staff only)

Have a lovely weekend

Miss Bliss

## Awesome Ashes

What a busy week! We've been learning more about The Three Little Pigs in our English work, designing wanted posters, writing character descriptions of the wolf and even reading and writing sorry letters from the big bad wolf.

We have begun to identify and name materials (linked with The Three Little Pigs) in our Science work and enjoyed our science hunt around school, finding different materials and using some new vocabulary including 'transparent'.

Our Reception children worked hard in their Road Safety sessions, learning how to hold hands, listen for traffic and begin to cross the road safely. Well done!

Please bring your reading book to school and take home each day.

Forest School is next Friday (27th September) where we will be building new 'homes for all the pigs to live in.

Our Reception children will be invited to a special Welcome Service at St Paul's Church on Thursday 26th September. They will meet some of the church congregation, have a chance to explore the building, ask questions and listen to a Bible story which links to their beautiful stained glass window. Children and staff only!

Have a great weekend, and hope you enjoy the weather!

I can't wait to see everybody again next week.

Miss Fielding

## Super Sycamores

Last Friday, Janet from Civic Pride visited Sycamores class to help us learn more about community and the work they do to make Rawtenstall look beautiful. She was also kind and brought lots of bulbs to plant when we next visit Forest School.

Last week in Forest we collected lots of different materials linked to our Science topic, materials. We use these in our Science lesson this week; we began sorting into different groups and explaining how we had grouped them.

In English we have written our own poems and performed them to the class. We have started to meet Harry the Happy Mouse friends and predicted why Harry is happy.

In Maths, Year 1 children have been learning about tens and ones. We are working hard on understanding ten ones are the same as ten and have loved using the counters with a partner, to help our understanding.

In Sycamores class around four or five jumpers/cardigans have been left during the week and they are unnamed. If you are missing any, please collect from the classroom. To assist with returning lost items, please make sure everything is labelled.

Next Forest School Thursday 26th September

PE - every Friday (please bring kit on the day in a named bag).

Have a lovely weekend.

Mrs De Boutemard

## Outstanding Alders

Another week comes to an end, and as always it has been super busy. The children are continuing to work hard and settle in.

### **Curriculum News**

In English this week we have finally started our class text 'The Way Home for Wolf'. The children have been doing some copy cat reading and they have been exploring the main character Wilf. We have been gathering adjectives and phrases to describe him using our retrieval and inference skills. We have also written a character description.

In Maths we have been continuing our work on place value. We have been partitioning numbers, splitting them up into tens and units and working out what is missing to make a given number.

We have been learning all about materials in Science and we conducted an investigation. We tested a variety of materials to see which would make the strongest bridge. Ask your child what the results were.

### **Homework**

You should have received your Spelling Shed and TT Rockstars password. They are in your child's reading record. Homework will be set each week on Spelling Shed on a Friday. Please can you encourage your child to access TT Rockstars and practise their times tables. If you have any questions please ask.

### **Key Dates**

PE on Wednesday - pe kits can be kept in school.

Forest School - kits to be brought in on the day - 24th September, 8th October, and 29th October.

Have a lovely weekend,

Miss Cavaney.

## Enchanted Elms

This week we have continued to learn about place value in maths adding and subtracting 10's using a number line. In English we have been comparing the different medias of Paddington. We have compared the book with the film looking at similarities and differences. From this the children have then written a character description for Paddington. The children have also been practicing their inference skills, thinking about how Paddington could have felt during the bathroom scene.

In Science we have been looking at food packaging and the food labels. We have discussed what the food labels mean. The children then sorted foods into healthy and unhealthy (occasional treats).

Thank you to everyone that brought in the food packaging for our Science lesson.

Just a reminder for Forest School Kits for **Monday 23rd September 2024**.

Just a reminder spellings are set each week on Friday. Please can you encourage your child to access TT Rockstars and practise their times tables.

Have a wonderful weekend.

Miss Cowgill

## Marvellous Maples

Maples have had a fantastic week. We have been learning more about Loch Ness in our English lessons and have written a diary entry based at Loch Ness.

In maths, the children have been working on number sequences and mental methods for addition and subtraction. In Geography, the children have learnt about the upper, middle and lower course of the river and have been using some interesting vocabulary like estuary and meander.

We had a great time in forest school this week. The children spent the session exploring with their friends. We did unfortunately have quite a significant number of children without forest school kits. I did manage to find some wellies that the children could borrow this week but this cannot be the case every session.

Next outdoor learning session: Thursday 3rd October

PE: Tuesday (indoor) and Thursday (outdoor) next week.

Have a lovely weekend.

Miss Yates

## Dazzling Elders

Another busy week! The children have started reading *The Lion, The Witch and the Wardrobe*. They have been using a dictionary to find the meaning of new words and finding synonyms (words with the same or similar meaning). The children have written fabulous letters as one of the main characters, who is an evacuee, detailing their experiences in their new home.

This week we began our History topic, which focuses on local history. We will be investigating how Bank Street has changed over the last one hundred years. In our Science, the children have been leaning

about the main organs and the processes involved in the digestive system. The children wrote a diary entry of a piece of food travelling through the digestive system to demonstrate what they have learned!

This week in PE, the children have been developing their underarm throwing and catching skills. They have all improved their skills so much over the last two weeks.

### **Outdoor Learning**

Our next outdoor learning session will be Wednesday 18th September 2024.

**Homework** Homework has been set this week for all children in the class. - spellings (paper copy and Spelling Shed). New homework will be set each Friday.

Have a great weekend, and hope the good weather continues

Mrs Nolan

[Wonderful Willows](#)

### **Curriculum news**

What a week we have had in Willow's class.

In English, we are thoroughly enjoying the start of our novel, 'The Nowhere Emporium'. We have met many characters and cannot wait to see how the plot develops. We were very impressed with the children's acting skills when we were creating freeze frames from the prologue. Our class have produced some amazing pieces of work that are filled with expanded noun phrases.

We are so proud of our class in their PE lessons. We have been developing our skills for Hockey and although some of us have found it tricky we have persevered. This week we put our skills into a match and we were blown away by some of the talent! We spotted people using their tactics, supporting their friends and lots of teamwork. Well done Willows!

### **Alder Grange Open Day**

Alder Grange are holding their open day on **Thursday 3rd October**. This is a great opportunity for your child to experience what high school is all about. Pupils will get the chance to experience a range of different subjects and find out information they need to know about high schools. School uniform and a packed lunch is required on this day. If you wish for your child to attend, please complete the google form which can be accessed through their school website or this link.

[https://docs.google.com/forms/d/1lMNGJu2Jlg9g8rF8T\\_1t\\_O97lbbQQip4CyTrCLJQC-Q/edit](https://docs.google.com/forms/d/1lMNGJu2Jlg9g8rF8T_1t_O97lbbQQip4CyTrCLJQC-Q/edit)

If your child attends BYT and still wishes to attend the open day, arrangements can be made to escort your child to/from the event. Please let the school office know or your child's class teacher.

### **Robinwood residential weekend**

The weekend is nearly upon us and final preparations are being made for the residential trip to Todmorden next Friday. If you haven't returned the collection/medication form, please can this be done as a matter of priority.

On the morning of the trip, your child will need to come to school for the normal school opening (8.40am) with their luggage and any medication (if required). If your child wishes to purchase souvenirs whilst at the centre, please ensure that the correct money and order form is placed in a named envelope and handed to the class teacher on Friday. A reminder that no mobile phones are allowed on the residential visit.

Have a lovely weekend

Mrs Todd & Mrs Cooper

## Mighty Oaks

It has been another busy week in Oaks class, with our first Forest School taking place on Tuesday. The weather was lovely and the children worked together to make different obstacle courses, which tested a range of PE skills.

In English, we have been looking in more detail at the main characters in Goodnight Mister Tom and using our inference skills to decipher hidden details about them.

The class have also had an introduction to our new topic of World War Two. Our swimming sessions continue and groups 2,3 and 4 will need to bring a spare pair of shorts and t-shirt for the next few weeks.
