Headteacher's news

We've had another busy week to mark the end of our Spring half term. I would like to take this opportunity to thank you all for your continued support in helping us to provide the best for your child. Enjoy your half term break and we look forward to welcoming you back on Monday 21st February.

I am so proud to share some of the amazing learning which took place last week to celebrate the Queen's Platinum Jubilee. We had letters to the Duke of Edinburgh-sharing his passion for ending deforestation, learning about what the word 'jubilee' means, exploring British values and celebrating diversity. A huge thank you to all our children and staff for making our corridors 'come alive'. The school looks absolutely amazing and you can clearly see that the children thoroughly enjoyed their learning.

Well done to our Year 6 children who have taken part in the Bikeability programme this week where they have learnt some very important safety skills to help keep them as safe as possible whilst out and about. They have been very keen to share some of the things they have learnt.

Please can we kindly ask for your support in not bringing your dogs onto our school grounds. This includes carrying your pets in your arms/bags etc.

Thank you

Winter weather update

As part of our winter preparation, we regularly check the weather forecast and this weekend we are due to have a large amount of snowfall.

I would like to inform you that we take Health and Safety very seriously in school and in the unfortunate event of extreme weather; we will aim to remain open. If we have to close school due to dangerous weather conditions, please note that the decision is never taken lightly.

We will update our school's Twitter page [@StPaulsCESch](https://twitter.com/StPaulsCESch) at the earliest opportunity. We will also update our PTA Facebook page, our school website and we will inform BBC Radio Lancashire.

PTA news

Just a quick reminder that our 'Recycle 4 School' drop box is still being collected regularly, so if you are having a clear out don't forget our clothing recycling bag drop for any unwanted clothing ☺. It's an easy and safe way for us to raise some funds for the school.

Also, anyone who enters our 'Your School Lottery' before 26th February will also be entered into the draw for the chance to 'Win a Getaway'. These prizes are on top of the usual cash prizes. Good luck!

St Paul's Pupil Leaders

G.I.F.T (Growing in Faith together)

Next half term our value will be 'compassion'. Our G.I.F.T had some wonderful ideas for sharing this value with the local community!

"We would like to share our value of compassion with the people in the community by growing some plants and giving them to people who might need cheering up"

If you have any small plastic pots that you no longer need, compost, seeds or bulbs that are spare or not required, the children in our G.I.F.T groups would welcome them and put them to good use

Sports Leaders

We have had a successful start to the WOW challenge, with lots of walking to and from school. The sports ambassadors are already looking forward to giving out the first of our WOW badges. Will it be you who receives one?

St Paul's Awards.

Well done = **ASHES** you are this week's attendance winners.

Keep up the great work! 😊
