Headteacher's news

We are all incredibly proud of our year 6 children who have undertaken their SAT's this week and our year 2 children who will sit them next week. You have all worked incredibly hard, please ensure that you have a weekend filled with fun and laughter and please always remember ...

SATs don't measure sports
SATs don't measure art,
SATs don't measure music
Or the kindness in your heart.

SATs don't see your beauty,
SATs don't know your worth,
SATs don't see the reasons
You were put on this earth.

SATs don't see your magic,
how you make others smile,
SATs don't time how quickly,
you can run a mile.

SATs don't hear your laughter,
or see you've come this far,
SATs are just a tiny glimpse
of whom you really are.

So, this week you've sat at your table
with a pencil and your test,
Remember SATs aren't who you are.
Remember you're the best!!!

Thank you...

A huge thank you to the parents and carer's who showed kindness and empathy at collection time on Wednesday when we had to close the junior yard at short notice. We know how difficult this will have made collecting your child from school. A huge thank you to the staff and parents who offered help, blankets and helped to direct parents away from the yard. This was very much appreciated by us all.

Jubilee afternoon

Please join us on Friday 27th May from 2pm as part of our Jubilee celebrations. We are hoping that the weather will be kind to us as we will be holding this event outside. We will have music from each of the decades the Queen has been in reign. There will be traditional games to play, a cake stall and refreshments to purchase. You are welcome to bring a small picnic/snacks picnic blanket if you wish to. We ask that no alcohol, nuts or citrus are brought onsite due to children who have severe allergic reactions. Further information will be arrive in your inbox and outside our classroom doors next week.

SEND Information Session for Parents - Friday 20th May 9.15am - 10.30am

If you are interested in understanding our approach to identifying and supporting children with Special Educational Need and Disabilities (SEND), Mrs Horrocks will be happy to explain our processes and practices, along with answering any questions that you may have. If you would like to attend, please email us at school@constablelee.lancs.sch.uk by Friday 13th May.

PTA news

After a hard couple of years for us all, I am pleased to announce that we will be starting some of our regular events again.

Celebration Disco

This will be our first one since the pandemic began and we are so excited to be able to start doing them again. It will be on Wednesday 20th July 6pm - 7:30pm. Planning has started and as usual we will be asking for volunteers to help us on the night, details to follow. The discos are always so popular with the children, so I am sure they will all be pleased to have them back again.

Ice Lolly Fridays

We will be starting these again on Friday 10th June. They will then run every Friday until the end of term. As usual we will be selling ice lollies/ice creams from the infant yard after school every Friday from 10th June.

Photos of the week...

This week Ashes have been looking at Islam and how Muslims believe in looking after the Earth. Part of being a good Muslim is to be a Khalifa of the world, this is very similar to Christians being good stewards of the World. This means it is their duty to look after the world and protect it for future generations like a caretaker of the World. We got to speak to Miss Arthur about her job in school and she helps to keep our world (school) safe. We got to join Miss Arthur and help to clean some of the infant area and go litter picking outside.

Reflective Friday

Kindness is the language which the deaf can hear and the blind can see.
