School News

This week our year 6 children have completed their end of year SAT's and finished the week with a celebration party. We are all very proud of each and every one of you. We want you to remember that you are all stars that shine in different ways. Each of you unique, each of you amazing! You have worked extremely hard and it has been a pleasure to watch you all flourish. I wish you a well-deserved rest this weekend, go out, enjoy the sunshine and have fun with your family and friends.

Parking

Please set an example to your child and show respect to school rules. Unless you have a school-parking badge or are registered as disabled and have a blue badge, you must not park in the disabled bays at any time of the day. There are children who attend our school to which these spaces are essential in order to allow them to access school as either they or their parent/carer do not have the ability to walk any distance to school. Please can you also be reminded that the staff car park is for staff and visitors who are working within school only! If there is nowhere to park on the ring road, please park on Hollin Lane to ensure that the road around our school is safe and accessible for all our children.

Mindfulness day

Today the children have been celebrating Mindfulness day. As part of our work today we have been raising awareness about how we can keep a healthy mind and how to use mindfulness techniques. Alongside this, we have been raising money for the charity 'Young Minds'. Thank you for your kind donations for this wonderful charity.

Do you have any spare time? Would you like to help our children?

We are looking for parents/grandparents who love to read and would be able to come into school on a regular basis to listen to some of our children read across school. All volunteers would be required to complete a Disclosure form as part of our safeguarding children procedures.

PTA News

ICE LOLLY Friday's - Today we will be selling Ice Lollies from the infant outdoor classroom area. This was really popular last year and a lovely end of week treat for children and adults. We are looking for volunteers to help sell each Friday so if you think you could help please message PTA via Facebook or leave your name/number at reception. It's only for 30mins max and it would be lovely to have some new faces so we can do a rota.

Thank you for your continued support!
Kath McArragher (PTA Chair)

Weather warning

Just a friendly summer sun reminder:

- Please ensure that your children come to school in appropriate summer uniform.
- A hat may be worn whilst working and playing outside to protect your child from the sunshine.
- Sun cream must be applied at home, as we are unable to apply this in school.
- Please ensure that your child brings their school water bottle each day. This can be filled at our cold-water fountains throughout the day. All children have free access to their water bottles all day, every day. New bottles can be purchased from the school office costing £2.50.
- Please ensure that you complete any medical forms and contact details are updated. If your child requires an inhaler or medication in school please ensure that it is within date. Forms can again be collected from our school office.

Class photographs

The last day for class photograph orders is Wednesday 22nd May. If you wish to order a class photograph, please return your order prior to Wednesday. Thank you.

Dates for your diary...

- Wednesday 22nd May - Last day for all photograph orders
