Headteacher News

This week we would like to say a huge

for all your help, support, patience, kindness and co-operation in taking part in the surge testing this week. We know how long it takes out of your evening to complete the tests, the challenge of building the boxes and the time it takes to register them. There is nothing we want more than to have every single child in school full time, and we know how frustrating it can be when this isn't the case. Hopefully you should receive a notification sometime over the weekend. Please could any positive results be forwarded to school@constablelee.lancs.sch.uk over the weekend and a member of our staff will reply to you.

Please still continue to protect yourself and others by using the hands, face, space rule. Thank you!

A Snippet of a Wonderful Week in School...

There has been lots of amazing things going on in school this week and the children have worked really hard. Our Year 6 children are currently completing their 'Heart Start' training led by Mr Burke where they have been learning vital life saving skills. Thank you to Mr Burke for providing this training. Maples have been working hard in the forest to create their own habitats for different creatures and Alders have been designing ice creams using collage.

The sun has got his hat on...

As the sun continues to shine, please remember to send your child to school with sun cream and sun hats, even on overcast days. Unfortunately, we cannot apply sun cream to your child, so please ensure they are aware of how to apply this to themselves. Please try to remember to put your child's name on these items so they can be returned to you.

Please also ensure your child comes to school with a water bottle. We have school water bottles which can be purchased via your ParentPay account at a charge of £2.50.

Action for happiness: Joyful June

This month's theme is all about finding the joy in life, even when things are difficult. Research has shown that experiencing positive emotions in a 3-to-1 ratio with negative ones leads to a tipping point beyond which we naturally become more resilient to adversity. So let's train our brains to find the joy.

Joyful June 2021

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
1 Decide to look for what's good every day this month	2 Say positive things in your conversations with others	3 Re-frame a worry and try to find a helpful way to think about it	4 Take a photo of something that brings you joy and share it	5 Think of 3 things you're grateful for and write them down	6 Get out into green space and feel the joy that nature brings	
7 Do something healthy which makes you feel good	8 Find joy in music: sing, play, dance, listen or share	9 Ask a friend what made them happy recently	10 Bring joy to others by doing something kind for them	11 Eat good food that makes you happy and really savour it	12 Write a gratitude letter to thank someone	13 Take a light-hearted approach. Choose to see the funny side
14 Share a happy memory with someone who means a lot to you	15 Look for something to be thankful for where you least expect it	16 Speak to others in a warm and friendly way	17 Take time to notice things that you find beautiful	18 Look for something good in a difficult situation	19 Get outside and find the joy in being active	20 Rediscover and enjoy a fun childhood activity
21 Send a positive note to a friend who needs encouragement	22 Watch something funny and enjoy how it feels to laugh	23 Create a playlist of uplifting songs to listen to	24 Bring to mind a favourite memory you feel grateful for	25 Show your appreciation to people who are helping others	26 Make time to do something playful, just for the fun of it	27 Be kind to you. Do something that brings you joy
28 Notice how positive emotions are contagious between people	29 Share a friendly smile with people you see today	30 Make a list of the joys in your life (and keep adding to it)
