your mind for truth and your heart for Love'*

Friday 6th March 2020

Headteacher's news

Today we held our world book day celebrations. We have seen some wonderful outfits based on our word theme and some fabulous #shelfies. We really do have some very lucky children who have fabulous reading spaces at home.

Next week we have another busy week. We are looking forward to hosting the Life Education Van. Our choir will be singing at King Georges Hall taking part in the 'Sing Together' Project and on Friday we will be holding our Sports Relief activities.

Parking

Thank you to those parents who are now **not using** the disabled bays and the bus stop to park. 😊

We have had many complaints from parents and neighbours regarding unsafe parking both on and off school grounds, making it dangerous for young children to cross the road safely. We realise that there are a lot of parents collecting children at the same time, however please be mindful and respectful when parking.

Parents are their child's first teacher and we all must set a good example to them.

Whilst waiting around our school grounds in your cars we would ask that you **turn off** your car engines in order to help to keep the air around school cleaner.

PTA

Letters & raffle tickets should have come home this week for our 3 wonderful Easter hampers, but there are spare tickets at the school office if you require more. The raffle will be drawn on Wednesday 1st April.

We also have our Easter Eggstravaganza, Friday 3rd April 1.45-2.30pm in the school hall. There will be activities such as Jam Jar Tombola/Hook a Duck/Cakes and so much more!!! To make this event a success we need YOU!!

We need volunteers on the day, Cakes on the day & jam jars filled with goodies for the tombola (details on letter but please ask if unsure about these).

Thank you all for your continued support!

Kath McArragher (PTA chair)

Sports Relief

Once again this year, we are supporting Sport Relief 2020 which takes place on Friday 13th March. On this day, we are asking everyone to come dressed in their sports kit and to make a donation of £1.00. This can be made through ParentPay (from Mon 9th March).

Many thanks for your support.

Coronavirus

On Tuesday, the Coronavirus action plan was launched the document sets out what the UK as a whole has done to tackle the Coronavirus (COVID-19), and what it plans to do next.

Personal hygiene is the most important way we can tackle COVID-19, especially washing hands more; and the catch it, bin it, kill it strategy for those with coughs and sneezes - also help in delaying the peak of the infection.

Yesterday, the Department of Health and Social Care launched a public information campaign that focuses on the importance of handwashing. Washing hands for 20 seconds is central to prevent and slow the spread of coronavirus (COVID-19).
